Center-based Provider Screener

PROGRAM LIST UPDATING

We will need to add two new preloads or flags to the questionnaire. The first will be a sample preload flag to indicate if a case is SCHL_AFTRSCHL (K-6) only (called the SCHL_AFTRSCHL flag.) These SCHL_AFTRSCHL cases will not be loaded as programs that will show up in A6. SCHL_AFTRSCHL=1=skip to A8. SCHL_AFTRSCHL=0=will have program(s) in A6. (see skips below). If there are multiple programs at a site and only one is SCHL_AFTRSCHL the case will be marked as SCHL_AFTRSCHL=0

Variable in roster confirmation file. The second flag will be an eligibility flag. This flag will indicate whether a pre-loaded program should be allowed to be eligible for the final organization selection (eligibility flag) Non-School-age programs will be flagged to be eligible for the final selection. Eligibility=1=should be considered eligible. Eligibility=0=should not be considered eligible.

A1.

My name is _____ and I am from NORC at the University of Chicago. We are conducting a study about organizations offering services to children under age 13 such as child care centers or before/after-school programs. The study is being paid for by the U.S. Department of Health and Human Services, and is designed to help the government understand how private decisions and public policies affect the supply and demand of child and school-age care in our country. I have a few questions about the childcare organizations at your address.

*Center-based Provider
Questionnaire- revised August 2018*

Center-based Provider Questionnaire

Thank you for taking part in this study which is about the early care and education programs available for children under age 13. It is funded by the U.S. Department of Health and Human Services, and conducted by NORC at the University of Chicago. Your participation in this study will help the government at all levels better understand and support the child care and early education services that are most needed in your area.

This interview takes about 48 minutes, and your participation is voluntary. You may choose not to answer any questions you don't wish to answer, or end the interview at any time. All personnel associated with this study must sign a legal document in which they pledge to protect the privacy of the information collected in the survey. We have systems in place to protect your identity and keep your responses private. There is only a small chance that your information could be accidentally disclosed. For that reason we avoid questions that could cause difficulty for you. This study also has a Federal Certificate of Confidentiality from the government which protects researchers and other staff from being forced to release information that could be used to identify participants in court proceedings.

Data collected for this study will be used for statistical purposes only, so that no individuals or organizations can be identified directly or indirectly in research findings. Identifiers such as your name, your organization's name or addresses will be considered private and can only be accessed for the study's research purposes by authorized personnel associated with this study.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number for this information collection is 0970-0391 and the expiration date is MM/DD/YEAR. Please send comments regarding the time required for this survey or any other aspect of this information collection to: [Name and address to be added].

You can click on the "PREVIOUS" button to go back and change your answers if needed. Clicking "STOP" will save your responses and allow you to return to the last question you answered the next time you access the survey.

Section E. Staffing

E1.

What is the total number of staff employed at this site in your program who work directly with children under 13? Please include full-time and part-time workers, but only those who work in the early care and education activities we are discussing in this survey.

RANGE: 0-999

E4_M.

What is the total number of staff who do not work with children? Include full-time and part-time workers, administrators, support staff, drivers, cooks and anyone else who works on your early care and education activities for children up to age 13.

E1A_M.

Next are questions about staff who work directly with young children at your center – children age 5 and under, not in kindergarten. Please put your staff working with any young children into three categories: (1) aides or assistant teachers, (2) teachers or lead teachers, and (3) specialists. These categories may not be the terms used in your program. Please do your best to put staff working directly with children into one of these three categories.

First, please think about aides or assistant teachers. How many aides or assistant teachers work with young children in your program?

_____ Number of aides or assistant teachers

RANGE: 0-99

[IF E1A_M>0 ASK E1A1_M. OTHERWISE GO TO E1c_M.]

E1a1_M.

How many of these aides or assistant teacher are full-time?

F1_INTRO:

Next are some detailed questions about one randomly selected group. This helps reduce the number of questions we need to ask you, but still gives us a sense overall of the range of offerings that providers have. For your program, age group [F1_AGEGRP {low} months to {high} months] is randomly selected.

F1.

How many groups or classrooms of children do you have for [F1_AGEGRP] months? Please include all groups in all of the programs or sessions that you offer for children in [F1_AGEGRP] months. By group or classroom, we mean children who are together for most of the [day/session] with an assigned staff member or group of staff members. If children change groups frequently during the day, please tell me about your groups during a typical activity period.

Selection of staff for the work force survey

H6.

As you know, attracting and keeping high-quality staff is a major issue for many early care and education programs. As part of this study, we are building a national description of individuals working in early care classrooms. In addition to the information you have provided about staff at your program, we have some questions that people can only answer about themselves, such as their motivations for working in this field. This information will help policymakers and practitioners understand the challenges and opportunities for improving the early education workforce and better supporting individuals who want to work with young children.

You've indicated that the following individuals worked at least 5 hours last week in the classroom we discussed:

IF THERE ARE NO INDIVIDUALS THAT HAVE WORKED AT LEAST 5 HOURS, DISPLAY: You have indicated that there are no individuals who worked at least 5 hours last week in the classroom we discussed. [BRING OVER LIST FROM F4]

H6.

Is there someone else who also worked in that classroom for at least 5 hours last week regardless of their role?

1 YES → ADD TO THE LIST AT H6A1

2 NO → GO TO H7

FOR EACH INDIVIDUAL ADDED AT H6 (UP TO 5), ASK H6A1, H6A2, AND H6B:

H6a1.

What is his/her name?

H6a2.

Is his/her role more like an aide, assistant teacher, teacher/instructor, lead teacher, or something else?

1 Aide

2 Assistant teacher

3 Teacher or instructor

4 Lead Teacher

5 Other (specify)

H6b.

How many hours did he or she work in that classroom last week (or the most recent usual week)?

_____ Hours

H6c.

Is there someone else who worked at least 5 hours in the classroom, regardless of their role?

1 Yes → LOOP BACK TO H6A_1

2 No → GO TO H7

3 DON'T KNOW/REFUSED/NO ANSWER → GO TO H7

H7.
