## Home-based Provider Questionnaire Items – Overview and Comparison

August 2018

## Contents

Overview of Proposed 2019 NSECE Questionnaire and Changes from 2012 NSECE Questionnaire.....	1
Home-based Provider Item-level Comparison between 2012 NSECE and Proposed 2019 Questionnaire.....	7

## Overview of Proposed 2019 NSECE Questionnaire and Changes from 2012 NSECE Questionnaire

2019 Category	2019 Construct	Key changes from 2012 to 2019
<b>Section A: Location of Care</b>	Child care program address confirmation	<ul style="list-style-type: none"> <li>• Addition of HB screener to identify home-based providers that are currently in operation and also those who are not currently serving children but were in the past. For this latter set of providers, screener collects information on when provider last served children and the main reason for no longer providing care.</li> </ul>
	Update of child care program address, if necessary	
	Screener: (Listed) Current provision of regular, paid care (Unlisted) Current provision of care	
	Screener: Past provision of regular, paid care to children under age 13 who aren't R's own	
	Screener: Date provider last cared for children under age 13 who aren't R's own	
	Screener: Reasons for no longer providing regular, paid child care	
	Type of location provider cares for children	
<b>Section B. Care Schedule and Rostering of Children if Small Provider</b>	Rostering of children provider usually cares for	<ul style="list-style-type: none"> <li>• Rostering of children instructs respondents to list children using their initials only, rather than giving them the choice to enumerate children either using their names or initials, as it was done in 2019. To minimize potential duplication of listed initials, items identify each child using first initial and age in years and months.</li> <li>• Item about children's race was edited to reflect current OMB guidelines.</li> <li>• Deletion of item that identifies any discount or add-on charged for care of each child.</li> </ul>
	Each child's residence is same or different than provider's household	
	Identification of provider's relationship with each child's family	
	Hours provider cared for each child each day of last week	
	Physical condition of each child that affects care	
	Emotional, developmental or behavioral condition of each child that affects care	
	Ethnicity of each child provider cares for	
	Race of each child provider cares for	
	Each child's language other than English at home	
	Language spoken with each child while in care	
	Help needed speaking with each child's parents because of different languages	
	Identification of each child's care schedule	
	When provider first started caring for each child	
	Any payment received for care for each child	
Rate charged for care for each child		

	<p>Payment for each child received from other sources</p> <p>Payment source for each child's discount or subsidy</p> <p>Non-monetary compensation for care provided for each child</p> <p>Frequency of non-monetary compensation for each child</p> <p>Willingness to care for children without a prior relationship</p> <p>Number of additional children provider willing and able to care for</p>	
<b>Section C: Enrollment</b>	<p>Number of children enrolled full and part time by age group</p> <p>Number of additional children provider willing and able to care for</p> <p>Number of children with physical disability that affects care</p> <p>Number of children with emotional, developmental or behavioral condition that affects care</p> <p>Number of Hispanic children</p> <p>Number of children by race</p> <p>Number of children by hours they are cared for</p> <p>Relationship classification of children cared for and their families to provider</p> <p>Payment received for child care</p> <p>Number of children without regular payment</p> <p>Related to all children without regular payment</p> <p>No regular payment for any children</p> <p>One or different rates charged to families</p> <p>Any full-time rate for each age group</p> <p>Identification of highest rate for full-time care for each group</p> <p>Types of financial assistance provided to families</p> <p>Number of children paid for with no subsidies, discounts or scholarships</p> <p>English proficiency of children under care and their families</p> <p>Languages spoken directly with children</p> <p>Percentage of time speaking English</p>	<ul style="list-style-type: none"> <li>• Update in wording of item about the number of additional children provider is willing and able to care for, so that it asks about current vacancies.</li> <li>• Edit to item about children's race to reflect current OMB guidelines.</li> <li>• Minor edits to items that capture information about providers' prior relationship with the families served.</li> <li>• Addition of item that identifies providers who are related to all children for whom they do not receive any regular payment.</li> <li>• Inclusion of four items that capture types of financial assistance provided to families.</li> <li>• Deletion of item that identifies any discount or add-on charged for care of each child.</li> <li>• Inclusion of item that captures number of children paid exclusively by their families.</li> <li>• Edits to items regarding number of children whose parents have limited English proficiency and language used in program.</li> <li>• Addition of items measuring number of children experiencing homelessness and food insecurity</li> </ul>

	<p>Number of children experiencing homelessness</p> <p>Number of children experiencing food insecurity</p> <p>Agencies pay for care</p> <p>Number of children funded by agencies/government programs</p> <p>Payment arrangement from agencies/government programs</p> <p>Community organization pays for care</p> <p>Number of children paid for by community organizations</p> <p>Participation in Child and Adult Care Food Program</p> <p>Fees paid by parents receiving subsidy</p> <p>Any program subsidy enrollment limit</p> <p>Any enrollment supported by subsidy</p> <p>Family requests subsidy to pay for care</p> <p>Comparison of children under care using private pay and using subsidy</p> <p>Transportation services provided</p>	<ul style="list-style-type: none"> <li>• Addition of item measuring program participation in Child and Adult Care Food Program</li> <li>• Addition of multiple items related to subsidies, including past and current enrollment of children receiving subsidies; fees paid by parents receiving subsidies; whether there is a limit on enrollment of children with subsidies; whether a family has made a request for the center to accept a subsidy; and comparison of experience serving private pay versus subsidy families.</li> <li>• Deletion of item capturing number of children usually cared for that were not present.</li> </ul>
<p><b>Section E: Schedule</b></p>	<p>Schedule of child care</p> <p>Fee for late pick up</p> <p>Number of children with variation in schedules and program treatment of variation in schedules</p> <p>Program paid for days a child does not attend</p> <p>Care provided during non-standard working hours</p> <p>Weeks spent providing care</p> <p>Care arrangement when provider is sick</p> <p>Last time provider unable to provide care due to illness</p> <p>Facilitation of comprehensive services for enrolled children by provider</p> <p>Any comprehensive services paid for by program</p> <p>Any comprehensive services provided on-site at program</p>	<ul style="list-style-type: none"> <li>• Deletion of two items capturing additional types of care provided, specifically sick care for children and full-day activities for school-age children during the summer.</li> <li>• Edits to items regarding comprehensive services so that information captured distinguishes (i) help provided to families to find services, (ii) provider’s payment for services; and (iii) provision of services on site.</li> </ul>
<p><b>Section F. Admissions/Marketing</b></p>	<p>Number of children who left program</p> <p>Number of children who entered program</p> <p>Care stopped due to child’s behavior</p> <p>Early pick up due to behavior problems</p> <p>Program listed with referral agency</p>	<ul style="list-style-type: none"> <li>• Wording of some items altered slightly to change year of reference from 2011 to 2018.</li> <li>• Addition of item evaluating whether a child needed to be</li> </ul>

	<p>Children denied due to no vacancies</p> <p>Program unable to care for special needs</p> <p>Program quality rating</p> <p>Program quality rating improved</p> <p>Experience with background checks</p> <p>Agencies that inspected the program</p>	<p>picked up early due to behavior problems.</p> <ul style="list-style-type: none"> <li>• Deletion of two items capturing activities used to demonstrate care offered.</li> <li>• Addition of item evaluating whether special needs child was kept from entering the program.</li> <li>• Addition of items measuring participation in quality rating system and recent improvement in quality rating.</li> <li>• Addition of item asking about experience conducting background checks.</li> <li>• Inclusion of items that identify agencies that have inspected program.</li> </ul>
<p><b>Section G. Care Provided</b></p>	<p>Time spent planning and engaging in activities</p> <p>Any snacks or meals provided to children</p> <p>Children’s time spent with screens</p> <p>Identification of curriculum used</p> <p>Received training to use curriculum</p> <p>Program sponsorship</p> <p>Time spent with other child care providers</p> <p>Provider aware of resources</p> <p>Provider has access to resources/professional development through schools/other programs</p> <p>Total time spent on all program activities beyond child care</p> <p>Identification of physical space used for child care</p> <p>Location of children’s physical activity</p> <p>Identification of reasons provider works with children</p> <p>Main responsibility when looking after children</p> <p>Professional organization membership</p> <p>Access to a family support resource/ mental health consultant/ guidance counselor</p> <p>Access to a health consultant</p> <p>Caregiver professional development</p>	<ul style="list-style-type: none"> <li>• Deletion of item that captures when activity planning occurs.</li> <li>• Update in response categories for children’s planned activities and revision from days to hours per day.</li> <li>• Addition of various items capturing snacks or meals provided to children.</li> <li>• Addition of item regarding children’s time spent with screens.</li> <li>• Expansion of list of potential curriculum and inclusion of training for curriculum use.</li> <li>• Addition of location of children’s physical activity.</li> <li>• Addition of item measuring access to health consultant in the program.</li> <li>• Expansion of professional development items, including additional information on coursework, format of health or safety training, separation of health and safety from other topics, professional development plan, time spent on professional development.</li> </ul>

	<p>Topic of most recent professional development activity</p> <p>Caregiver health and safety training</p> <p>Topic of most recent professional development activity, besides health and safety</p> <p>Professional development plan</p> <p>Professional development assistance</p> <p>Parental Modernity Scale – Traditional Belief Scale</p> <p>Center for Epidemiological Studies Depression Scale</p> <p>Bridget Hamre’s instructional approach/ knowledge</p>	<ul style="list-style-type: none"> <li>• Replacement of Kessler Psychological Distress Scale with Center for Epidemiological Studies Depression Scale (CES-D7).</li> <li>• Inclusion of four items from Bridget Hamre’s instructional approach/knowledge scale.</li> </ul>
<b>Section H. Help with Child Care</b>	<p>Identification of individuals who assist provider with child care</p> <p>Hours worked by assisting caregiver</p> <p>Wage paid to assisting caregiver</p> <p>Name of assisting caregiver</p> <p>Age of assisting caregiver</p> <p>Any payment to assisting caregiver</p> <p>Assisting caregiver lives in household</p> <p>Years of paid ECE experience for assisting caregiver</p> <p>Any credential for assisting caregiver</p> <p>Any professional development for assisting caregiver</p> <p>Time spent directly caring for children</p>	<ul style="list-style-type: none"> <li>• Substantive expansion to include a roster of people who helped the provider look after children last week, including several characteristics for each person reported.</li> </ul>
<b>Section I. Household Characteristics</b>	<p>Number of people living in household</p> <p>Age of other people living in household</p> <p>Relationship to other household member</p> <p>Other household member cared for outside household</p> <p>Identification of other household member having overlapping child care duties with provider</p> <p>Other household member present during provider care</p> <p>Hours spent assisting by other household member</p> <p>Hours other household member was in provider care with other children</p> <p>Hours household member was in respondent’s care while respondent looking after other children</p>	<ul style="list-style-type: none"> <li>• Substantial reduction of number of items because information on household members who help with care is captured in Section H.</li> </ul>

	Number of household members by age group	
	Any child in household cared for outside household	
<b>Section J. Provider Characteristics</b>	Year of birth	<ul style="list-style-type: none"> <li>• Minor wording updates to items regarding currently enrollment in degree program and postsecondary majors.</li> <li>• Disaggregation of question about state certification or CDA into two different items.</li> <li>• Addition of item about experience providing different types of home-based care</li> <li>• Update to items regarding ethnicity and racial identification to reflect current OMB guidelines.</li> <li>• Inclusion of item regarding days affected by poor health.</li> <li>• Addition of item regarding home ownership.</li> <li>• Update of time frame for annual household income (from 2011 to 2018).</li> </ul>
	Country of birth	
	Year moved to United States	
	Current marital status	
	Educational attainment of caregiver	
	Currently enrolled in degree program	
	Educational field of study of caregiver	
	ECE credentials	
	Any training outside of higher education	
	Years of ECE work experience	
	Expected additional years caring for children	
	Any work for a center, school or other organization	
	Years of ECE work experience at a center	
	Prior experience in different types of home-based care	
	Characteristics of provider’s other current work for pay	
	Characteristics of provider’s other previous	
	Ethnicity	
	Race	
	Health insurance coverage	
	Health status	
	Days affected by poor health	
	Provider owns home used to care for children	
	Annual household income: Exact dollar amount	
	Annual household income: Before/after tax	
Annual household income: Ranges		
Percentage of household income stemming from childcare work		
<b>Section K. Operations</b>	Amount spent operating program	<ul style="list-style-type: none"> <li>• Update of time frame for amount spent operating program and types of income received (from 2011 to 2018).</li> <li>• Prompts for item non-response on income sources.</li> </ul>
	Sources of income from provider’s child care work	
	Types of income received: Total income received	

## Home-based Provider Item-level Comparison between 2012 NSECE and Proposed 2019 Questionnaire

**Abbreviations for the item eligibility columns:**

**Provider Size:** LP - Large Provider  
SP - Small Provider

**Relationship Status:** RB - Relationship-based  
NRB - Non-relationship based

Category	Construct	2012 Questionnaire Item	2012 Item Eligibility - Provider Size	2012 Item Eligibility - Prior Relationship Status	2019 Questionnaire Item	2019 Item Eligibility
Section A: Location of Care	Child care program address confirmation	A1. Our records indicate that your home address is (ADDRESS). Is that correct? 1 <input type="checkbox"/> Yes 2 <input type="checkbox"/> No	LP and SP	RB and NRB	Home-based item A1 has not changed.	All respondents
