Expiration Date: [DATE]

[DATE]

Dear [NAME]:

On behalf of the U.S. Department of Health and Human Services, Office on Women’s Health (OWH), NORC at the University of Chicago is conducting an evaluation of the *College Sexual Assault Policy and Prevention Initiative* project. As part of this evaluation, we are interested in speaking with you today to learn more about CSAPP successes, barriers and facilitators related to project implementation and sexual assault-related policy and practice change, project sustainability, and the overall impact of the project on incidents of sexual violence at your institution. We recently spoke with [NAME OF GRANTEE] **PROJECT DIRECTOR**, who recommended we contact you to learn more about the impact of the CSAPP Initiative on your campus. Your participation will provide the evaluation with a more varied perspective of the project’s progress in meeting its goals.

The interview will be conducted by telephone and will last approximately one hour. Please let us know if there is a time that works well for you during the month of April by replying to OWH-Support@norc.org.

Your responses will help us to understand the impact of the CSAPP initiative. Your open and honest feedback is appreciated. Your participation is voluntary, and you may skip questions or stop the interview at any time without any adverse consequences. Findings from this evaluation may be included in reports for OWH and may be publicly available. In those reports, data or quotations will not be linked to the identity of a particular respondent or organization.

For more information about this evaluation, please contact me at Mumford-Elizabeth@norc.org.

Thank you for your participation in this very important study.

Sincerely,

Elizabeth Mumford
