public comment on federal register

i believe this is wasted tax dollars. there is no need for this. the colleges can work among themselves and do. there is no need for fat cat bureaucrats at the usdoj to get involved in this type of voyeurism.i know sex projects are always proposed for voyeurism by bored govt employees, but the taxpayers have paid for enough of them. we dont need this invasion. leave the colleges alone.the taxpayers of america are being gouged for too many stupid surveys. this is one of them. t his comment is for the public record please receipt. jeanpubliee jeanpublic1@gmail.com
