

**SCSEP Grantee
Equitable Distribution (ED) Report**

OMB Control Number: 1205-0400

Expiration Date: X/XX/XXXX

The Equitable Distribution (ED) Grantee Report, Form 8705B, is based on the number of modified positions by county (authorized positions adjusted for the applicable minimum wage in the county), as determined by Census data, as well as the number of enrollments by county captured in the ETA data collection system at the time of the report.. The Grantee Report should include all states in which the grantee operates.

The Senior Community Service Employment Program (SCSEP) ED tables (downloadable from the ETA system) provide various calculations of the variance between the modified positions and the number of current enrollments by county. Please use the modified position tables to fill out the values in Section I below and use those calculations to answer the two questions about the variance: What is its significance; and what, if any, actions the grantee will take to come into better compliance with the equitable distribution requirements? Submit the completed report to your FPO with a copy to grants.SCSEPdocs@dol.gov.

Grantee Name: _____

Program Year: _____ **Quarter:** _____ (Specify the quarter of the ED data used)

I. Summary of Variance

Ensure the numbers in this section of the Equitable Distribution Report are consistent with the numbers/percentages/variance reported in the relevant modified position tables downloadable through the ETA System.

	Number of Counties	Percent of All Counties	Average Percentage of Variance
Under-service			
Over-service			
Combined Total Under- and Over-service			

II. Discussion: reasons for and significance of the variance

Please describe any significant variance and explain the possible reasons for the variance. Detail any challenges that affect your ability to meet and/or maintain ED. Identify if there is a history of noncompliance with ED in any area. Describe any administrative issues, sub-grantee structure, or external factors unrelated to ED patterns (e.g., a change of sub-grantee, natural disaster, etc.) contributing to the problem.

III. Plan to improve ED in your grant during program year

Please explain your plans to reduce the variance in your grant during the program year. Provide concrete steps (consolidating positions by county, position swaps, attrition) to fix ED, particularly in difficult to serve areas such as rural counties, counties where there has been a significant historical inequity, and/or areas where there have been recent large increases in numbers of eligible persons.

IV. Attach copy of relevant grantee modified position table (downloadable through the ETA System).
