

PONL Application Data Fields for OMB Control No. 1513-0023, Environmental Information and Supplemental Information on Water Quality Consideration under 31 U.S.C. 1341(a).

The Alcohol and Tobacco Tax and Trade Bureau (TTB) has established the "Permits Online" (PONL) system to allow alcohol and tobacco-related TTB permit applicants to complete, sign, and submit such applications to TTB electronically via the TTB website. Information, registration for, and user access to PONL may be found on the TTB website at <https://www.ttb.gov/ponl/permits-online.shtml>.

The PONL system consists of various OMB-approved information collections, and PONL replaces the paper forms associated with those collections. Included among the information collections contained in PONL is OMB Control No. 1513-0023, Environmental Information and Supplemental Information on Water Quality Consideration under 31 U.S.C. 1341(a). The PONL data fields related to OMB Control No. 1513-0023 replace forms TTB F 5000.29, Environmental Information, and TTB F 5000.30, Supplemental Information on Water Quality Consideration under 31 U.S.C. 1341(a). The data fields for OMB Control No. 1513-0023 are the same for each type of alcohol and tobacco permit application available in PONL.

PONL data fields related to the applicant's name, contact, and other identifying information, and the applicant's business name and location, are approved under the OMB control numbers for the specific type of alcohol or tobacco permit applied for.

Specific to this information collection request, OMB Control No. 1513-0023, are the PONL data fields shown below, unless otherwise noted.

Paperwork Reduction Act Notice Page

This page displays the Paperwork Reduction Act Notice for the Permits Online application, including those for the two forms contained in OMB Control No. 1513-0023:

Information collection data fields specific to OMB Control No. 1513-0023, and equivalent to those on form TTB F 5000.29, Environmental Information, and TTB F 5000.30, Supplemental Information on Water Quality Consideration under 31 U.S.C. 1341(a), are shown below:

ENVIRONMENTAL INFORMATION

Most of the questions here are self-explanatory and refer to the regulated operations at the premises address. The request for number of employees is asking for the number located at the premises address where the regulated operations will take place. You should list the name of the Power Company when asked for the source of heat and power. Examples of Liquid Waste include spilled wine and wash water. Examples of Solid Waste include broken glass, cardboard, and grape must. You may state "Not Applicable" in any fields where there is no information that applies. If you are filing an original or amended application that includes a non-contiguous premises situation (explained under Wine Premises Description in the Wine Information Section), you must list each non-contiguous address (including the primary wine premises address) under each question and answer the question for each location.

* Enter Number of Employees

* Location Where Activity is to be Conducted (Be specific, Number, Street, City, State, Zip Code; describe locations of buildings and outside equipment and their situation relative to surrounding environment including other structures, land use, lakes, streams, roads, railroad facilities, etc. Maps, photos, or drawings may be provided.)

* Describe types of heat and power to be used and their sources. If they are to be produced in connection with the proposed activity, estimate type and quantity of fuel to be used for each purpose. (Example: 40 tons/yr. anthracite coal for heat, 20 million cu.-ft/yr. natural for power generating.)

* Describe any air pollution control equipment proposed for use in connection with fuel burning equipment, boilers, or smokestacks.

* Describe amount and composition of all solid waste that will be generated

* Discuss proposed methods of disposal (Incineration, open burning, landfill, government or commercial garbage collection, etc.) Specify whether on-site or off-site.

* Describe any air pollution control equipment proposed for use in connection with any incinerators.

* Liquid Waste (Complete this item irrespective of any certification obtained as to compliance with any environmental quality standards of any Federal, State, or local agency having responsibility for environmental protection including any certification under the Federal Water Pollution Control Act.) Describe amount and content of any liquid waste to be generated.

* Describe proposed method of disposal (sewer, flaming, recycling, etc.) Describe any proposed means to monitor quality and characteristics, and any proposed equipment or facilities for treatment or control of liquid wastes.

* Noise (Describe operational noise sources other than those normally associated with office operations, building maintenance, or utilities.)

WATER QUALITY INFORMATION

Most of the questions here are self-explanatory and refer to the regulated operations at the premises address. Please note that most of these questions refer to discharge into "navigable waters". You may state "Not Applicable" in any fields where there is no information that applies. If you are filing an application or amendment that includes a non-contiguous premises situation (explained under Wine Premises Description in the Wine Information Section), you must list each non-contiguous address (including the primary wine premises address) under each question and answer the question for each location.

* Describe activity to be conducted in which the Alcohol and Tobacco Tax and Trade Bureau has an interest ?

* Describe any direct or indirect discharge into navigable waters which may result from the conduct of the activity described in the question above to be conducted section where TTB has Interest, including the biological, chemical, thermal, or other characteristic of the discharge and the locations at which such discharge may enter navigable waters.

* Give the date or dates on which the activity will begin and end, if known, and on which the discharge will take place.

* Describe the methods and means used or to be used to monitor the quality and characteristics of the discharge and the operation of equipment or facilities employed in the treatment or control of wastes or other effluents.

End of data fields related to OMB Control No. 1513-0023, and equivalent to those on form TTB F 5000.29, Environmental Information, and TTB F 5000.30, Supplemental Information on Water Quality Consideration under 31 U.S.C. 1341(a).

AFFIRMATION

Under penalties of perjury, I declare that I have examined this application, including accompanying statements, and to the best of my knowledge and belief, it is true, correct, and complete. The applicant must immediately notify the TTB official with whom this application is filed of any change in ownership, management, or control of the applicant (in the case of a corporation, any change in the officers, directors, or persons holding 10 percent or more of the corporate stock). The business for which this application is made does not violate the law of the State in which the business will be conducted. In addition, if this application is approved, the applicant will conduct operations within a reasonable period of time and maintain such operations in conformity with Federal law.

I understand that the information supplied by me in connection with this application will be used by TTB to make a determination on the application. Where such disclosure is not prohibited, TTB officers may disclose this information to other Federal, State, foreign, and local law enforcement and regulatory agency personnel to verify information on the application, and for enforcement of the laws of such other agency. The information may be disclosed to the Justice Department if the application appears to be false or misleading. TTB officers may disclose the information to individuals to verify information on the application where such disclosure is not prohibited.

I understand that if I fail to supply the information requested TTB may delay or deny the issuance of the permit. I understand that TTB is asking for my Employer Identification Number and/or my Social Security Number for identification purposes. If I do not supply the numbers, I understand my application may be delayed.
