## Notice

**Need to change or reset your password?** Please see the [Password Change Quick Reference Guide](#) (PDF).

**COLAs Online 4.5 is here!** This release includes validation for single label submissions, a mandatory label information checklist, flagging of approved applications that require attention, capability for industry members to download details about all their applications and those submitted under the same permit (privacy filters apply) and enhanced on-screen guidance for some fields. For details and additional changes, check out [What's New in COLAs Online 4.5](#) (PDF).

**Formulas Online 2.7 is here!** This latest release includes improved handling when viewing multiple submissions at once to prevent you from unintentionally updating the wrong one. For details and additional changes, check out [What's New in Formulas Online 2.7](#) (PDF).

**Formulas Online Update.** We have made the system update to Formulas Online that will impact the file types allowed for document attachments. In order to improve image rendering by various Web browsers, we will **no longer accept TIFF files** (.tif, .tiff). You will still be able to view existing TIFF files.

If you have any questions, please contact us at [TTB.Helpdesk@ttb.gov](mailto:TTB.Helpdesk@ttb.gov)
