Welcome to the United States Coast Guard Academy Application Portal!

USCGA applications are not part of the ApplyYourself (AY) network and therefore require you to create a unique username and password. Even if you already have an AY account that you've used to apply to another institution, you'll need to create a new one using the "Create Account" tab (right side of this screen) before you can access our applications. This new AY account allows you to save your progress on our applications, so that you can return to work on your applications over several sessions and transmit your information to us through a secure server. If you previously created an AY account to apply to our AIM Program, you can and should use that account to apply for direct entry to the Academy; however, if you previously applied for direct entry to the Academy, you must create a new account using the "Create Account" tab in order to reapply for admission this year

Please carefully read all instructions that appear throughout our applications. You can only submit an application once, so updates will need to be provided to the Admissions Office via e-mail for inclusion in your record. By accessing our applications, you are confirming that you have read and understand our Privacy Act Statement. All information submitted to USCGA, including your personal statements, is protected under the Privacy Act.

Privacy Act Statement: In accordance with 5 USC 552(e)(3), the following information is provided to you when supplying personal information to the USCG: (1) Authority which authorizes the solicitation of the information: 14 USC 182(a); (2) The Principal Purpose for this information is to ensure that the applicant is basically qualified to apply for the USCGA or AIM Program; (3) Routine uses which may be made of the information: a) As background information on applicants for the selection process; b) To contact the applicant; c) The social security number is used by the Department of Defense Medical Examination Review Board as a unique identifier; d) To determine if there are existing USCG records on the applicant; and e) In performance of the duties of officials and employees of the USCG, in managing and contributing to the USCGA or AIM Program selection process and tendering appointments to the same; (4) Disclosure of the information is voluntary, but the applicant may not be considered further if the information is not provided. Submissions of Evaluators will not be disclosed to the applicant without Evaluator consent. Release to any other individual/entity is only as required by law.

USCGA Application: OMB No. 1625-0004 (Expires: 3/31/2019): An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The Coast Guard estimates that the average burden for this form is 240 minutes. You may submit comments concerning the accuracy of this estimate or any suggestions for reducing the burden to Admissions@uscga.edu

AIM Application: OMB No. 1625-0121 (Expires: 2/28/2018): An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The Coast Guard estimates that the average burden for this form is 180 minutes. You may submit comments concerning the accuracy of this estimate or any suggestions for reducing the burden to Admissions@uscga.edu.

Create An Application Account

Thank you for your interest in applying for admission to the Class of 2022. The application will open in August 2017 and close on January 15, 2018. Your first step is to create an application account which will allow you to receive further communication from our Admissions Office and access the application during the time period listed above. You may complete this step even before the application opens and then update your account information later if it changes. Please provide as much information as possible, taking special notice of all required fields denoted with an asterisk (*).

NOTE: If you previously created an application account in order to apply for the Academy Introduction Mission (AIM) Program for Summer 2017, please do not create a new account to apply for the Class of 2022. You should use your AIM application account to access the Class of 2022 application; however, <u>if you have previously</u> applied for direct entry to the Academy, you must create a new account in order to reapply for admission this <u>year</u>.

Step 2 - Enrollment Fee Payment

Thank you for completing your enrollment form. In order to finalize your enrollment in the AIM program, your tuition payment must be received by June 1st. Your enrollment will not be processed until your enrollment deposit has been paid.

You may pay your enrollment deposit online here with your credit card. Visa, Mastercard, and American Express cards are accepted and processed using a secure online payment system. To use your credit card, select the credit card payment option and click on the submit button below. You will be directed to a separate, secure website where you will be prompted to enter your credit card information. If the payment is successful, you will be returned to this enrollment site and will receive a final confirmation of your intent to enroll.

Please note the enrollment form and payment will only hold your spot in the AIM program, you must also complete and submit your AIM medical form by June 1st to complete your AIM acceptance process.
