HOMELAND SECURITY U.S. COAST GUARD	Discharge; and Report of Suspicious Maritime Activity	Exp: 08/31/2018
Who must comply?	Persons-in-charge of a vessel or onshore/offshore facility; owners or operators of vessels or facilities required to have security plans. The public may voluntarily make a report.	
What is this collection about?	Any discharge of oil or a hazardous substance must be reported to the National Response Center (NRC) so that the pre-designated on-scene coordinator can be informed and appropriate spill mitigation action carried out. The NRC also receives suspicious maritime activity reports and disseminates this information to appropriate entities.	
Where do I find the requirements for this information?	Titles 33 CFR 153.203, 40 CFR 263.30 and 264.56, and 49 CFR 171.15 mandate that the NRC be the central place for the public to report all pollution spills. Title 33 CFR 101.305 mandates that owners or operators of vessels or facilities required have security plans report
