Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <http://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Consistent with the requirements of Executive Order (E.O.) 13771, Reducing Regulation and Controlling Regulatory Costs, and E.O. 13777, Enforcing the Regulatory Reform Agenda, TSA is also requesting comments on the extent to which this request for information could be modified to reduce the burden on respondents.

Information Collection Requirement

OMB Control Number 1652-0063; Law Enforcement Officer (LEO) Reimbursement Request. Pursuant to 49 U.S.C. 114(m), and secs. 106(l) and (m), TSA has authority to enter into agreements with participants to reimburse expenses incurred by airport operators for the provision of LEOs in support of screening at airport checkpoints. Consistent with this authority, TSA created the LEO Reimbursement Program, which is run by the Office of Law Enforcement/Federal Air Marshal Service (OLE/FAMS).

TSA OLE/FAMS requires that participants in the LEO Reimbursement Program record the details of all reimbursements sought. In order to provide for the orderly tracking of reimbursements, the LEO Reimbursement Program uses TSA Form 3503, LEO Reimbursement Request, which captures and tracks reimbursement information.

The LEO Reimbursement Request form is available at www.tsa.gov. Upon completion, participants submit the LEO Reimbursement Request form directly to the OLE/FAMS LEO Reimbursement Program via fax, electronic upload (via scanning the document), mail, or in person. The OLE/FAMS LEO Reimbursement Program reviews all request for reimbursement forms received. Based on the prior year participation, TSA estimates that there will be 294 participant responses monthly or 3,528 yearly, which is a decrease from the 2015 submission of 326 monthly participants.

TSA estimates each respondent will spend approximately one hour to complete the request for reimbursement form, for a total annual hour burden of 3,528 hours.

Dated: March 7, 2018.

Christina A. Walsh,

TSA Paperwork Reduction Act Officer, Office of Information Technology.
