

Application for RRIF and TIFIA Credit Assistance

Fiscal Years 2018 - 2021

The Build America Bureau (the “Bureau”) was created to streamline and improve access to U.S. Department of Transportation (the “Department”) Federal credit programs. As part of its mission, the Bureau is responsible for administering the application processes for the Railroad Rehabilitation and Improvement Financing (“RRIF”) and the Transportation Infrastructure Finance and Innovation Act of 1998 (“TIFIA”) credit programs.

This form is the application (“Application”) to be used by the entity (referred to herein as the “Borrower”) seeking Federal credit assistance under the RRIF and TIFIA credit programs. 45 U.S.C. 823 and 23 U.S.C. 602. Under the Paperwork Reduction Act of 1995, a federal agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The valid OMB control number for this information collection is [2105-0569]. A Borrower applying under the TIFIA credit program **must** submit a Letter of Interest (“LOI”) to the Bureau before submitting an Application for TIFIA credit assistance. 23 U.S.C. 602(a)(1)(A). A Borrower applying under the RRIF credit program **is encouraged to** submit an LOI to the Bureau before submitting an Application for RRIF credit assistance in order to describe its project, demonstrate the proposed Borrower’s ability to meet DOT’s creditworthiness requirements, detail how applicable statutory eligibility requirements are met, and outline the proposed financial plan. The Department estimates that it will generally take applicants fewer than one hundred (100) person-hours to assemble a single Application. Submitting an LOI will reduce the time spent preparing a complete RRIF Application. The LOI form for both credit programs can be located [here](#).

The Bureau will only accept Applications from Borrowers whose projects and creditworthiness have met or are likely to meet applicable statutory eligibility requirements, including satisfying a full review of the creditworthiness of the Borrower and the project. A Borrower seeking credit assistance under both programs may submit a single Application, except in certain circumstances. The Bureau will use the information provided in a completed Application to evaluate recipients for credit assistance in accordance with the applicable RRIF and TIFIA requirements. Borrowers may be asked to provide additional supporting evidence, clarify or quantify details, or update previously submitted information during the Application review process.

Details about how to submit are included in Section F. An Application checklist is appended to the form.

DETAILED GUIDANCE WITH RESPECT TO SPECIFIC SECTIONS OF THIS APPLICATION IS AVAILABLE IN THE BUREAU CREDIT PROGRAMS GUIDE. THE CREDIT PROGRAMS GUIDE CAN BE DOWNLOADED [HERE](#).

If you still have questions regarding this form, please contact the credit underwriter assigned to your project or the Bureau at (202) 366-2300 or BuildAmerica@dot.gov.
