Agency Message

This template meets the National Highway Traffic Safety Administration's (NHTSA's) regulatory requirements for submitting credit transaction instructions in accordance with the template. The template defines the data and data formats required by NHTSA's regulatory provisions. In accordance with 49 CFR 536.8, 49 CFR 536.5(d)(6), and 49 CFR 536.7, credit account holders are required to submit Joint Trade Instructions, Credit Allocation Plans, and Carryback Plans to NHTSA to initiate the debiting and crediting and resolution of CAFE credit deficits.

Paperwork Reduction Act Notice

The public reporting and recordkeeping burden for this collection of information is estimated to average 9 hours per response. Send comments on the Agency's estimate of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques that reduce the control number in any correspondence, but do not send the completed documents.

Subject: CAFE Credit Trade Agreement

Dear Associate Administrator,

This letter is to inform the National Highway Traffic Safety Administration (NHTSA) that and are submitting this Credit Trade Agreement as joint CAFE credit trading instructions to NHTSA in accordance with 49 CFR Part 536.8. This joint instruction requests that NHTSA transfer certain credits from 's CAFE credit account(s) with NHTSA to 's CAFE credit account(s) with NHTSA as specified in the attached Credit Transaction Request.

affirms the current CAFE credit balance(s) in its account(s) are sufficient to support this transaction. and acknowledge the following:

49 CFR Part 536.8(f)

If NHTSA determines that a manufacturer has been credited, through error or fraud, with earning credits, NHTSA will cancel those credits if possible. If the manufacturer credited with having earned those credits has already traded them when the error or fraud is discovered, NHTSA will hold the receiving manufacturer responsible for returning the same or equivalent credits to NHTSA for cancellation.

49 CFR Part 536.8(g)

In general, all trades are final and irrevocable once executed, and may only be reversed by a new, mutually-agreed transaction. If NHTSA executes an erroneous instruction to trade credits from one holder to another through error or fraud, NHTSA will reverse the transaction if possible. If those credits have been traded away, the recipient holder is responsible for obtaining the same or equivalent credits for return to the previous holder.

JOINT TRADE INSTRUCTIONS

OMB Control No. xxxx-xxxx

Accordingly, we request that NHTSA accept this joint instruction and process the transaction as appropriate in accordance with 49 CFR Part 536.8.
