## B. Statement of Work

### BACKGROUND

*Provide a consistent frame of reference to the applicable solicitation and funding source of all grants/cooperative agreements awarded funding by the FRA. This section also provides high-level overview information regarding the project and applicant/grantee. Approximately 3-4 paragraph in length.*

### GENERAL OBJECTIVE

*Provide a clear description of the underlying transportation problem that the project will address; the work that will be accomplished under the grant/cooperative agreement; the end-state of the project, and the public benefits that the project is intended to achieve.*

### DESCRIPTION OF WORK

*Break the scope of work for the project into discrete and delineable tasks. If the FRA funded-project is part of a larger effort, describe that larger effort, but link tasks specifically to the FRA-funded portion of the project. Be clear regarding the work to be done in each task and be sure tasks can be linked to deliverables and timelines. Use the guidance below to develop this section.*

*The “Project Schedule and Deliverables” section outlines the period of performance for the grant/cooperative agreement and provides a concise table listing all of the deliverables required for the applicable tasks covered under the grant/cooperative agreement and their submission due date to FRA. The applicant/grantee must list every deliverable required for each applicable task, as well as any other deliverables FRA may require. Use the guidance below to develop this section.*

### PROJECT SCHEDULE

The period of performance for all work will be approximately \_\_\_\_\_ months, from \_\_\_\_\_ to \_\_\_\_\_. The deliverables associated with this Grant/Cooperative Agreement are listed below. The Grantee must complete these deliverables to FRA’s satisfaction in order to be authorized for funding reimbursement and for the Project to be considered complete.

### PERFORMANCE OBJECTIVES AND DELIVERABLES

Outline the period of performance for the grant/cooperative agreement and provide a concise table listing all of the deliverables required for the applicable tasks covered under the grant/cooperative agreement and their submission due date to FRA. The applicant/grantee must list every deliverable required for each applicable task, as well as any other deliverables FRA may require. Use the guidance below to develop this section.

<u>Task #</u>	<u>Deliverable Name</u>	<u>Related Task</u>	<u>Due Date</u>

**PROJECT ESTIMATE/BUDGET**

*Instructions:* The “Project Estimate/Budget” section outlines the initial cost estimate for the project by task and by funding source. Both methods are required and necessary to assess project costs. The “funding source” estimate should list all funding sources contributing to the project (e.g. the FRA grant subject to this SOW, other FRA or Federal grants, the grantee’s contribution, and contributions from all other project partners). Use the text and table below to develop this section.

The total estimated cost of the Project is \$ \_\_\_\_\_, for which the FRA grant will contribute up to \_\_\_\_\_ of the total cost, not to exceed \$ \_\_\_\_\_. Any additional expense required beyond that provided in this grant to complete the Project shall be borne by the Grantee.

**Project Estimate by Task**

<b>Task #</b>	<b>Task Name</b>	<b>Total Cost</b>
1		\$
2		\$
3		\$
4		\$
5		\$
6		\$
7		\$
<b>Total Project Cost</b>		<b>\$</b>

**Project Estimate Contributions**

<b>Funding Source</b>	<b>Project Contribution Amount</b>	<b>Percentage of Total Project Cost</b>
FRA Grant	\$	%
Grantee	\$	%
Project Partner 1	\$	%
<b>Total Project Cost</b>	<b>\$</b>	<b>%</b>

**PROJECT COORDINATION**

*Identify all the project partners, funding recipients and sub-recipients, and other entities that possess responsibility for the implementation of the project. Per Task 1 guidance, the coordination strategy may evolve and require updating over time.*

The Grantee shall perform all tasks required for the Project through a coordinated process, which will involve affected railroad owners, operators, and funding partners, including:

- 
- 
- FRA

## PROJECT MANAGEMENT

*Identify all actions the applicant/grantee will perform to ensure the effective management and oversight of the project. Use the guidance below to develop a project management approach.*

The Grantee is responsible for facilitating the coordination of all activities necessary for implementation of the Project. Upon award of the Project, the Grantee will monitor and evaluate the Project's progress through regular meetings scheduled throughout the period of performance. The Applicant/Grantee will:

- Participate in a project kickoff meeting with FRA
- Complete necessary steps to hire a qualified consultant/contractor to perform required Project work
- Hold regularly scheduled Project meetings with FRA
- Inspect and approve work as it is completed
