

Paperwork Reduction Act Burden Statement

A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number. The OMB Control Number for this information collection is 2130-0548. Public reporting for this collection of information is estimated to be approximately 18 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing and reviewing the collection of information. All responses to this collection of information are required as described in 45 U.S.C. 822(c). Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer (RAD-20), Federal Railroad Administration, 1200 New Jersey Avenue, Washington, DC. 20590.

**NIST Manufacturing Extension Partnership Supplier Scouting  
Federal Railroad Administration – Item Opportunity Synopsis**

**TECHNICAL**

1. Item Designation / Description:

*(Please provide the name/description/other designation for the item – what it is.)*

2. Transportation System Application:

*(Please provide information about where the item is used – what it is for.)*

3. Item Class and Size:

*(Please indicate if this is a mechanical, electrical, electronic, electro-mechanical, chemical, optical, or other class of item; and identify appropriate item dimensions)*

4. Item Materials:  
*(Please identify the materials that constitute the item.)*
