NOTES
Clinical Signs or conditions reported
The owner's name is Esteben Cruz. His phone number is 509-205-2375. The beef animal is in a group of 20 with no other clinical animals evident. The animal has been ill for 3-5 days with bloating and apparent pneumonia signs. The group was purchased 3 weeks ago from an undisclosed sale yard. An FAD0 has been sent to evaluate and collect appropriate samples except for the ear notch unless warranted.

Results of physical and postmortem examinations are shown on the Exam and Subject screens:

The screenshot shows the 'Exam' screen in the EMRS system. The header includes the EMRS logo and navigation options like 'Disease Management' and 'Exams'. The main content area is titled 'EX:1000:17' and is divided into several sections:

- Previews:** Lists '00MWWPX' with details for 'Dave Dunn' at '8957 HIGHWAY AC, LESLIE, MO 63056'.
- Animal Business:** Lists 'Dave Dunn' at '8957 HIGHWAY AC, LESLIE, MO 63056'.
- Investigation:** Lists '16MO0018' as 'Completed' on '9/29/2016' with a 'Vesicular - vesicle' note.
- Exam Parameters:** Shows 'Reason: Sick Call', 'Assigned: John Hunt', 'Assigned Date: 9/28/2016', 'Scheduled Start: --', 'Scheduled End: --', and 'Examined Date: 9/29/2016'. It also lists 'Primary TAD Differential' as 'Vesicular Diseases', 'Primary Confidence' as 'Possible', and 'Secondary Differential' as 'Epizootic Hemorrhagic Disease' and 'Secondary Confidence' as 'Possible'.
- Notes:** A section for adding notes, currently empty.
- Footer:** Shows 'Record Status: Active', 'Exam Status: Completed', 'Created On: 9/30/2016 9:35 PM', and 'Created By: ROSE MASSINGILL'.

The screenshot shows the 'Subject' screen in the EMRS system. The header includes the EMRS logo and navigation options like 'Disease Management' and 'Subjects Sampled'. The main content area is titled 'SU:1519:16' and is divided into several sections:

- Previews:** Lists '00LLKVL' with details for 'Poway Equestrian Center' at '14875 MINA DE ORO RD, POWAY, CA 92064'.
- Animal Business:** Lists 'Poway Equestrian' at '14875 MINA DE ORO RD, POWAY, CA 92064'.
- Investigation:** Lists '15CA0011' as 'Under Investigation' on '4/29/2015' with a 'Vesicular - vesicle, papule' note.
- Exam:** Lists 'EX:1233:16' as 'Completed' on '4/29/2015' with a 'Vesicular Stomatitis' note.
- Subject Details:** Shows 'Subject Type: Individually Identified', 'Animal: Mercedes', 'Animal Group: --', and 'Subject Description: 5 y QH mare, one of five horses that developed oval erosions (lip) & small pinpoint'.
- Other Fields:** Includes '# Examined/Sampled from Group: 5', 'Current Condition: Alive - Clinical', and 'Current Structure: --'.
- Notes:** A section for adding notes, currently containing 'No Notes found'.
- Footer:** Shows 'Record Status: Active', 'Created By: Andrea Mikolaj', and 'Created On: 11/8/2015 1:16 PM'.

The number and kinds of samples taken, and their dispositions, are shown on the Lab Submission and Specimen screens:

Lab Submission

The screenshot shows the EMRS Lab Submission interface. The header includes navigation options like 'NEW', 'DELETE', 'LAB SUB FOLLOW-UPS', 'SHARE', 'EMAIL A LINK', 'RUN WORKFLOW', 'WORD TEMPLATES', 'RUN REPORT', and 'FORM EDITOR'. The main content area is titled 'LAB SUBMISSION' and displays the ID 'LS:1000:15'. It features several tabs: 'Previous', 'Animal Business', 'Investigation', and 'Exam'. The 'Exam' tab is active, showing details for 'EX1000:15'. A 'Lab Submission Parameters' section provides a detailed overview of the submission, including the submitter (KDY NEWENS), date submitted (8/8/2014), and laboratory (NYS - Arnes, IA). A 'Specimens' table at the bottom shows the submission is 'Completed' and was created by Megan Maody on 8/16/2014 at 7:10 PM.

Specimen

The screenshot shows the EMRS Specimen interface. The header includes navigation options like 'DELETE', 'SPECIMEN FOLLOW-UPS', 'SHARE', 'EMAIL A LINK', 'RUN WORKFLOW', 'WORD TEMPLATES', 'RUN REPORT', and 'FORM EDITOR'. The main content area is titled 'SPECIMEN: SPECIMEN FORM' and displays the ID 'SP:10000:15'. It features several tabs: 'Previous', 'Animal Business', 'Investigation', 'Exam', 'Subject Sampled', and 'Lab Submission'. The 'Investigation' tab is active, showing details for 'IV:8690:15'. A 'Specimen Details' section provides information about the sample ID (402014018), specimen type (Chromal swab), and quality when taken (Good). A 'Test Result' section shows a negative result for H5N1. A 'Specimens to Test Request' table lists related specimens. The 'Notes' section is currently empty. The specimen was created by Lorenisha King on 5/6/2015 at 12:00 PM.

The new EMRS system accommodates multiple methods of entering data: APHIS staff or State personnel accessing and using EMRS can build personal user and contact screens including their contact information, dispatch information, and deployment readiness checklist:

User

The screenshot displays the 'User' profile for Fred Bourgeois. The interface includes a navigation bar with options like 'NEW', 'CONNECT', 'APPROVE EMAIL', and 'REJECT EMAIL'. The user's profile is divided into several sections:

- User Information:** Includes User Name (28752914012802381042658@aphis.usda.gov), Full Name (Fred Bourgeois), Title (EMRS National Coordinator), Primary Email (emrs.notification@aphis.usda.gov), Mobile Phone (318-288-4083), and Main Phone (318-288-4083).
- Organization Information:** Shows Business Unit (Veterinary Services), Site (Louisiana), and Position (Manager).
- Teams:** Lists 'General Distribution' and 'Veterinary Services' under the 'Veterinary Services' Business Unit.
- 513 Requests:** A table with columns for 'Created On', 'Request...', and 'System'. It notes 'No 513 Access Request records found.'
- Recertification:** Shows 'Date Selected' as 'Random Selection' and 'Date Recertified' as 'Recertifying Official'.
- Metadata:** Status is 'Enabled', Created On is '10/24/2013 11:17 AM', and Created By is 'CRM Administrator'.

Personnel - Contact

The screenshot displays the 'Personnel - Contact' profile for Fred Bourgeois. The interface includes a navigation bar with options like 'DEACTIVATE', 'CONNECT', and 'ADD TO MARKETING LIST'. The contact profile is divided into several sections:

- Contact Details:** Includes Job Title v2 (Staff VMO), Access Group (Louisiana), First Name (FRED), Middle Name (G), Last Name (BOURGEOIS), Suffix, and NPC Working Title (STAFF OFFICER).
- Duty Station Address:** Shows Address Type (Primary), Address Name (1412 Kistle Ln), City (LAKE CHARLES), State (LA), ZIP/Postal Code (70611), and Country/Region (United States).
- Dispatch Information:** Includes Org Detail (APHIS VS SPRS NPI), Dispatch (National), Homeunit (Manager), Appointment Type, and Employment Type (FULL-TIME).
- Additional Personnel Details:** Shows Organization (USDA-APHIS), Employer (Veterinary Services), VS Unit (SPRS District), and Date at Plum.

Animal ID screen:

The screenshot displays the EMRS (Enterprise Management Reporting System) interface for the Animal ID screen. The title is "Animal ID". The breadcrumb navigation shows "Disease Management > Animal ID's > 840003011217956". The main content area shows the Animal ID "840003011217956" and a "Related Animal" dropdown set to "840003011" with an "ID Status" dropdown set to "Sited". A note states: "General- this is visible to all giving visibility of animal id for tracing." Below this, there are two sections: "Animal ID- multiple id's may be related to one animal." and "Signalment- recorded from animal record at time created." The "Animal ID" section contains a table with the following data:

Animal ID*	Primary ID for this animal?*	Date Applied/Sited	Previous State
840003011217956	Yes	8/15/2016	NI
ID Type*	Date Lost/Retired		
RFID/ 840 Tag	--		

The "Signalment" section contains a table with the following data:

Species	Breed	Sex
Cattle	Holstein	M

At the bottom of the screen, there is a summary row:

Status	ID Status	Created By	Created On
Active	Sited	CRM Administrator	8/15/2016 8:09 AM
