NOTES
Clinical Signs or conditions reported
The owner's name is Esteben Cruz. His phone number is 509-205-2375. The beef animal is in a group of 20 with no other clinical animals evident. The animal has been ill for 3-5 days with bloating and apparent pneumonia signs. The group was purchased 3 weeks ago from an undisclosed sale yard. An FAD0 has been sent to evaluate and collect appropriate samples except for the ear notch unless warranted.

The number and kinds of samples taken, and their dispositions, are shown on the Lab Submission and Specimen screens:

Lab Submission

The screenshot shows the EMRS Lab Submission interface. At the top, there's a navigation bar with 'EMRS' logo and menu items like 'Disease Management', 'Lab Submissions', and 'LS:1000:15'. Below the navigation, there are tabs for 'NEW', 'DELETE', 'LAB SUB FOLLOW-UPS', 'SHARE', 'EMAIL A LINK', 'RUN WORKFLOW', 'WORD TEMPLATES', 'RUN REPORT', and 'FORM EDITOR'. The main content area is titled 'LAB SUBMISSION' and shows 'LS:1000:15'. It includes several sections: 'Incident' (VSV Tracker), 'Incident Site' (Colorado), 'Access Group' (Colorado), and 'Exam' (EX:1000:15). A 'Lab Submission Parameters' section lists details like 'Submit Reason' (FAD-FDI), 'Laboratory' (NYS - Arnes, IA), 'Submitter' (KDY NEWS), 'Shipper' (KDY NEWS), 'Date Submitted' (8/8/2014), 'Date Shipped' (8/8/2014), 'Priority' (---), and 'Text Request Summary' (Disease: Vesicular Stomatitis; Test Category 1: Serology; Specimen Type: Blood-Serum). Below this are four columns: 'Previous' (00HAQYW), 'Animal Business' (Jennie Tierney), 'Investigation' (14C00105), and 'Exam' (EX:1000:15). At the bottom, there are sections for 'Specimens', 'Form Status' (Completed), 'Created By' (Megan Moody), and 'Created On' (8/16/2014 7:10 PM).

Specimen

The screenshot shows the EMRS Specimen interface. At the top, there's a navigation bar with 'EMRS' logo and menu items like 'Disease Management', 'Specimens', and 'SP:10000:15'. Below the navigation, there are tabs for 'DELETE', 'SPECIMEN FOLLOW-UPS', 'SHARE', 'EMAIL A LINK', 'RUN WORKFLOW', 'WORD TEMPLATES', 'RUN REPORT', and 'FORM EDITOR'. The main content area is titled 'SPECIMEN: SPECIMEN FORM' and shows 'SP:10000:15'. It includes several sections: 'Incident' (HPAI 2015), 'Incident Site' (Iowa), and 'Access Group' (Iowa). A 'Specimen Details- Sample ID (User assigned label for specimen)' section lists 'Sample ID' (402014018), 'Specimen Type' (Chromal swab), 'Quality when taken' (Good), 'Pooled?' (Yes), 'Category' (Swab), and 'Specimen Preservation' (None). Below this is a 'Test Result' section showing 'Test Result' (R:12775:15), 'Date Res.' (5/4/2015), and 'Result' (Negative). To the right, there's a 'Specimens to Test Request' table with columns 'Name' and 'Test Req.' and one entry: '178:8580:15 TR:508:15'. At the bottom, there are sections for 'Previous' (00LMJL2), 'Animal Business' (John VanderM...), 'Investigation' (IV:8690:15), 'Exam' (EX:7246:15), 'Subject Sampled' (SU:9145:15), and 'Lab Submission' (LS:4826:15). At the bottom, there are sections for 'Record Status' (Active), 'Created By' (Lorenska King), 'Created On' (5/6/2015 12:00 PM), and 'Form Status' (Active).

Cleaning and disinfection, depopulation and disposal, and appraisal are covered on the following series of screens that show what type of work was performed, the materials used, and when the work was completed:

The new EMRS system accommodates multiple methods of entering data: APHIS staff or State personnel accessing and using EMRS can build personal user and contact screens including their contact information, dispatch information, and deployment readiness checklist:

User

The screenshot displays the 'User' profile for Fred Bourgeois in the EMRS system. The interface includes a navigation bar with options like 'NEW', 'CONNECT', 'APPROVE EMAIL', and 'REJECT EMAIL'. The user's profile is divided into several sections:

- User Information:** Includes User Name (28752764032802381042658@aphis.usda.gov), Full Name (Fred Bourgeois), Title (EMRS National Coordinator), Primary Email (emrs.notification@aphis.usda.gov), Mobile Phone (318-288-4083), and Main Phone (318-288-4083).
- Organization Information:** Shows Business Unit (Veterinary Services), Site (Louisiana), and Position (Manager).
- Teams:** Lists 'General Distribution' and 'Veterinary Services' under the 'Veterinary Services' business unit.
- 513 Requests:** A section for tracking requests, currently showing 'No 513 Access Request records found'.
- Recertification:** Includes fields for Date Selected, Date Recertified, Random Selection, and Recertifying Official.
- Metadata:** Status is 'Enabled', Created On is 10/24/2013 11:17 AM, and Created By is CRM Administrator.

Personnel - Contact

The screenshot displays the 'Personnel - Contact' profile for Fred Bourgeois. The interface includes a navigation bar with options like 'DEACTIVATE', 'CONNECT', and 'ADD TO MARKETING LIST'. The contact profile is divided into several sections:

- Contact Details:** Includes Job Title v2 (Staff VMO), Access Group (Louisiana), First Name (FRED), Middle Name (G), Last Name (BOURGEOIS), Suffix, and NPC Working Title (STAFF OFFICER).
- Duty Station Address:** Shows Address Type (Primary), Address Name (1412 Kistle Ln), City (LAKE CHARLES), State (LA), ZIP/Postal Code (70611), and Country/Region (United States).
- Dispatch Information:** Includes Org Detail (APHIS VS SPRS NPI), Dispatch (National), Homeunit (Manager), Appointment Type, and Employment Type (FULL-TIME).
- Additional Personnel Details:** Lists Organization (USDA-APHIS), Employer (Veterinary Services), VS Unit (SPRS District), and Date at Plum.
- Deployment Checklist:** Includes Driver License State (LA), Defense Driver Expir, Medical Clearance Ex, Driver License Expir, PPE Fit Test Product (8/L/2018), Boot Size, Tyre Size, and Glove size.

Animal ID screen:

The screenshot displays the EMRS (Enterprise Management Reporting System) interface for an Animal ID. The page title is "Animal ID". The breadcrumb navigation shows "Disease Management > Animal ID's > 840003011217956". The main content area shows the Animal ID "840003011217956" and a "Related Animal" dropdown set to "840003011" with an "ID Status" dropdown set to "Sited". A note states: "General- this is visible to all giving visibility of animal id for tracing." Below this, there are two sections: "Animal ID- multiple id's may be related to one animal." and "Signalement- recorded from animal record at time created." The "Animal ID" section contains a table with the following data:

Animal ID*	Primary ID for this animal?*	Date Applied/Sited	Previous State
840003011217956	Yes	8/15/2016	NI
ID Type*	Date Lost/Retired		
RFID/ 840 Tag	--		

The "Signalement" section contains a table with the following data:

Species	Breed	Sex
Cattle	Holstein	M

At the bottom of the screen, there is a summary row:

Status: Active	ID Status: Sited	Created By: CRM Administrator	Created On: 8/15/2016 8:09 AM
----------------	------------------	-------------------------------	-------------------------------
