## Introduction: NHSC LRP Online Application User Guide

---

**Purpose:** The NHSC LRP Online Application user guide serves as the main tool for the Customer Care Center to answer applicant questions regarding issues applicants have when calling for resolution. In addition to this user guide, the Customer Care Center Analysts must be familiar with the NHSC LRP Application Program & Guidance, as some of the questions will be program based and will not be discussed in this user guide. The primary intent of this user guide is to focus on the functionality developed for the NHSC LRP Online Application.

### Loan Repayment Program Application

**WELCOME TO THE NHSC 2016 LOAN REPAYMENT PROGRAM (LRP) APPLICATION**  
Hello Zeshawn,

Thank you for registering to apply to become a member of the National Health Service Corps (NHSC) Loan Repayment Program (LRP). The NHSC is seeking applicants who are committed to providing primary care services to the Nation's most vulnerable populations. To qualify, all NHSC program and practice requirements must be met at the time you submit your application and before an award can be approved. Basic eligibility requirements include:

- being licensed to perform clinical services independently in one of the disciplines/specialties approved for service under the NHSC Loan Repayment Program
- employment and compliance with the NHSC Clinical Practice Requirements at an NHSC-approved service site, located in Health Professional Shortage Areas (HPSA)
- having education loans with outstanding balances that qualify for repayment
- submitting a complete and eligible application before the 2016 cycle deadline

To learn more about the NHSC eligibility requirements and qualification guidelines read the [2016 Application and Program Guidance \(APG\)](#).

#### NHSC SCHOLARS

NHSC Scholars who are currently serving and will complete their obligated service on or prior to September 29, 2016 may apply to the NHSC Loan Repayment Program (LRP), if the scholar:

1. Continues to practice at their NHSC-approved service site of record; OR
2. Is practicing at an NHSC-approved service site with a HPSA score of 14 or above

#### AWARD AMOUNTS

The 2016 "New" contract award amounts are as follows:

	LEVEL #1 (100% Of Service at HPSA 14 & above)	LEVEL #2 (Any fraction of service at HPSA 13 & below)
Full Time	\$50,000.00	\$30,000.00
Half Time (2-year)	\$25,000.00	\$15,000.00

The maximum award amounts for Full-time and Half-time LRP "contract types" are determined by the lowest HPSA score associated with your NHSC-approved service sites for your discipline category as of January 1, 2016. If you serve at one or multiple NHSC-approved service sites and the lowest score of all your sites is 14 or higher, you qualify for the maximum support level in column one (1). If any percentage of your service is fulfilled at NHSC-approved service sites with a HPSA scored at 13 or lower, you qualify for the maximum support level in column two (2).

**Note:** Your entire 2-year service period must be completed at NHSC-approved service sites located in HPSAs that match the support level you qualify for and receive, regardless of whether the amount of the loans the NHSC approves for repayment fall below or exceed the maximum support level.

For more information on support levels, refer to the [2016 Application and Program Guidance](#).

### Steps:

1. Applicant reviews the information displayed on the Home Page
2. Applicant **START MY APPLICATION** (Start My Application)

### Notes:

- The applicant will be able to refer to this page by selecting the “Help” link on the bottom of the all the application screens (see screen shot below)
- Applicants are requested to read the following documents prior to starting his/her application:
  - Application and Program Guidance (APG)
  - NHSC Employment Verification Instructions and FAQ Document

## BEFORE YOU GET STARTED...

1. Read the [NHSC 2016 Loan Repayment Program Application Program Guidance \(APG\)](#). Pay close attention to the eligibility and clinical practice requirements for your discipline and specialty. Your ability to meet the requirements for the entire 2-year contract period at your NHSC-approved service sites is crucial.
2. Connect with the NHSC Point of Contact (POC) at your NHSC-approved service site to let them know that you are applying to the loan repayment program. They play a crucial role in the application and employment verification process. Their knowledge of the application process will help mitigate obstacles that might stand between you and a life changing experience. You will not have access to the responses they provide until you have submitted your application.
3. Get access to the most recent details of the education loans you will submit for repayment and ensure that they qualify based on the guidelines provided in the APG. If you have Federal loans and have not created an online account with the National Student Loan Data System (NSLDS), open another browser and register now - you will thank yourself later.
4. Commit to submitting a clean and accurate application well before **March 29, 2016 at 7:30 PM EDT**, the application deadline, and take advantage of the opportunity to receive loan repayment support for simply doing what you love the most - providing quality healthcare to those who need it most. If you need to make changes before the deadline, you may reopen the application for editing and resubmit as often as you like, but not after the deadline passes. The deadline cannot be extended to allow for corrections after **March 29, 2016 at 7:30 PM EDT**, regardless of the type of error.

If you reopen your application to make edits you must "resubmit" your application before the deadline. Applications that have not been completed and submitted by the deadline cannot be submitted or reviewed at a later date. When the application cycle closes, the opportunity to make changes closes. If you have technical difficulties while completing the application please contact the **Customer Care Center from 8:00 AM to 8:00 PM EDT, at 1-800-221-9393**.

## LET'S GET STARTED

### Application Checklist

For your reference, [review and print](#) the Application Checklist before beginning your application. Gather the materials in advance to decrease your application time. [Application Checklist](#)

#### 1. Eligibility

Each applicant must meet the basic eligibility requirements for:

- Discipline and Specialty
- Licensure
- Citizenship
- Practice Hours
- Loans

#### 2. General Information

It is crucial that you provide accurate contact information, including the correct spellings of your name and address. Most communications from the NHSC are delivered through email, are time sensitive and require an action from you with an imposed deadline. Please adjust your SPAM settings to accept messages from the NHSC. Deadlines missed due to inaccurate contact information or undelivered messages due to your email account settings will not be reversed.

#### 3. Discipline, Education & Training

You will be asked questions regarding your education and training. Please be sure to provide accurate and complete information in this section of the application.

#### 4. Employment Information

The NHSC must be able to verify that you are or will be providing clinical services at an NHSC-approved service site and that you meet the practice requirements for your discipline and specialty. In this section of the application, you will be asked to select your NHSC-approved service site(s). An electronic verification will be sent to the NHSC Point of Contact (POC) at the site(s) to verify your employment. To be considered for an award, you must be practicing at an NHSC-approved service site or have received an offer of employment to begin working no later than July 20, 2015.

#### 5. Employment Verification

This section of the application will require you to "Initiate" the Employment Verification (EV) process. A request for verification will be sent through the NHSC Program Portal to the site(s) POC. You will have the opportunity to review the information verified by your sites' POC. If corrections need to be made you must "Cancel" the verification and "Re-initiate" the verification process. To verify your employment, your site POC must have an active Portal account. Refer to the site information in the EV section and, if there is no site POC listed, follow the instructions in the [NHSC Employment Verification Instructions and FAQs document](#).

#### 6. Loan Information

The NHSC provides support to repay outstanding loan balances (principal, interest, and related expenses) of outstanding Government (Federal, State, or local) and commercial loans for undergraduate or graduate education obtained by you. You must submit the most current account statement and the disbursement report for each loan. Please reference the 2016 APG for a detailed list of loan documents. Detailed instructions are provided in the [Loan Information](#) section.

#### 7. Supporting Documents

You will be required to upload all necessary documents in this section. The description and content requirements for each document can be found in the 2016 APG and in each section of the application. Ensure that required documents are legible, complete and contain the required elements as stated in the 2016 APG.

For required documents, do not upload password protected files. Password protected files will not be reviewed and will make your application incomplete. The NHSC will not contact applicants to request replacements for documents that do not meet the application requirements.

**Note:** Former NHSC Loan Repayment Program participants must upload a Payment History document verifying that you applied all previously disbursed award funds to the loans that were approved with your last NHSC Loan Repayment Program contract. If the full amount of the previously disbursed funds cannot be verified, you will not be eligible to participate in the NHSC Loan Repayment Program.

#### 8. Self-Certification

You are required to certify that the information provided in your application is accurate including the verification of employment submitted by your site POC. The NHSC uses the information provided in your application to verify your eligibility. In the event it is determined that you have provided inaccurate information or have misrepresented yourself you will automatically be deemed ineligible for loan repayment and will not be eligible to participate in any NHSC program.

#### 9. Review & Submit

You are strongly encouraged to review your application in its entirety and use the [Application Checklist](#) to ensure that you have correctly completed and submitted all required information. You will not be able to edit your submitted application after the application deadline. Before submitting your application you should review each section to verify that each is complete and represents the information you want to submit. A link to each section is provided for easy navigation. Each section must be completed to submit your application.

## Section 8: Discipline, Training & Certification

The Discipline, Training and Certification page asks for details about an applicant's previous work and education. **The set of questions will change dynamically based on the discipline that the applicant selects.** For example, an applicant who selects the Dentist discipline will be prompted to answer a question regarding his/her specialty, where as an applicant who selects the Health Service Psychologist discipline will be prompted to answer a question about practicing independently.

### Discipline, Training, and Certification

*\* required field*

In this section you will identify the discipline/specialty for which you are licensed to provide clinical services, as well as the type of degree you received and when you received it. The options provided are specific to the current list of NHSC Loan Repayment Program approved disciplines and specialties. Pay close attention to the requirements for your discipline/specialty and select the options that accurately represent your degree, training, and certifications. The NHSC verifies your responses with your training institutions, relevant certification bodies, and/or clinical membership organizations. If your responses cannot be verified, your application will not be eligible for an NHSC Loan Repayment Program award. Please review the education, training and certifications requirements for your discipline/specialty as defined in the [2016 Application and Program Guidance](#). You will certify the accuracy and truthfulness of your selections before you submit your complete application. If you have not obtained the appropriate training, certification and license for your discipline and specialty and or will not begin meeting the NHSC Clinical Practice Requirements for the service type you selected prior to July 20, 2015, you do not qualify for an NHSC Loan Repayment Program contract.

### Employment

#### HEALTH PROFESSIONAL SHORTAGE AREAS AND YOUR SITE

Providing quality healthcare to the Nation's communities with the highest need for healthcare professionals is why the NHSC was created. All NHSC-approved service sites are located in federally designated Health Professional Shortage Area (HPSA). HPSAs are designated as having a shortage of Primary Medical Care, Mental Health and Dental healthcare professionals. They are provided a score of 26 to 0, with 26 representing communities with the highest health professional recruitment needs. NHSC applicants and participants MUST be employed and provide clinical services at "Active" NHSC-approved service sites to qualify for a Loan Repayment Program contract and to remain in compliance with their NHSC contract throughout their service. NHSC must use these scores and statuses, along with the eligibility requirements, as detailed in the 2016 Application and Program Guidance (APG), to determine who is selected for an LRP contract each year.

HPSAs are reevaluated and re-scored throughout the calendar year; however, the NHSC employs the HPSA statuses and scores that are in place as of January 1st each year. Any updates made to HPSA statuses or scores after January 1, 2016, will not impact the award levels of the 2016 Loan Repayment Program, with the following exceptions:

- 1. Loss of HPSA designation** – The NHSC cannot approve the award of an LRP contract for applicants who do not serve in a designated HPSA, appropriate for their discipline/specialty, even if the practice location was designated at the time the application was submitted. Neither the applicant nor the NHSC control the frequency or results of a HPSA reevaluation; however, if any of the practice sites selected with the application loses their HPSA designation, the application must be disqualified and the clinician must reapply during the next open application cycle when they are serving in a designated HPSA.
- 2. Newly Approved Practice Sites** – Recruiting new site partners to serve as beacons in our quest to expand access to healthcare is a never-ending effort. While the NHSC strives to approve all new site applications before the opening of the LRP application cycle, it is difficult to push away opportunities for success. Clinicians serving at NHSC practice sites that are approved and "active" on the NHSC Job Center website during the application cycle, may submit a Loan Repayment Program application before **March 29, 2016**, the application deadline; however, clinicians who work at sites that are approved after the deadline must wait to submit an application during the next open application period for "new" contracts.

For the most up-to-date HPSA and NHSC-approved service sites across the Nation, please go to the [NHSC Jobs Center](#).

Select your NHSC-approved service site(s).

*Note: You may see multiple sites with the same name but, different addresses. You must select the site(s) where you actually provide direct patient care and will meet the NHSC Clinical Practice Requirements for your discipline/specialty.*

If your site is not listed in the drop-down, but you are confident that it is an NHSC partner; OR, if you would like to submit a question regarding how to become an NHSC-approved service site, please submit a status request email to the NHSC at [lrsites@hrsa.gov](mailto:lrsites@hrsa.gov). If you are not currently employed at an approved site, we encourage you to visit the [NHSC Jobs Center](#) for employment opportunities at current approved sites.

## Section 10: Employment Verification

Within the Employment Verification section of the online application, employment site Points of Contact (POCs) are required to answer questions regarding the applicant's current or future employment information. Applicants will be able to view the information submitted by the site POC upon submission of his/her application. Based on the answers provided by the Site POC, an applicant may be deemed ineligible upon submission. If this occurs and the applicant believes it is incorrect, the applicant will be able to edit his/her application, cancel the existing EV, and re-initiate a new one.

### Employment Verification

To begin the Employment Verification (EV) process, select "Initiate" next to the site(s) listed below. The NHSC POC(s) will receive an email instructing them to verify your employment by logging into the Program Portal for Site POCs. If you would like more detailed information about the site including the POC(s) on file, click on the site name below. You are responsible for ensuring that your site POC has submitted the employment verification form on your behalf by the March 29, 2016, application deadline! Once you have submitted your application you will have the ability to review the responses made by your employer. Instructions for viewing your application and the EV responses are provided once you submit your application. If you feel that an error has been made by your employer when they completed your EV, you will have the option to "Cancel" the current EV and "Reinitiate" a new one to allow your employer to make the necessary changes. For additional information regarding the employment verification process please see the [NHSC Employment Verification FAQs](#).

## Section 11: Loan Information

The Loan Information page captures the loan data that an applicant will submit with his/her NHSC LRP application. If an applicant has a National Student Loan Data System (NSLDS) account, and wishes to submit federal loans as part of his/her NHSC LRP application, he/she will have the option to retrieve and submit his/her federal loans. Applicants also have the ability to manually add non-federal loans to their application, or to enter federal loan data manually as well. The steps to retrieve loans using the NSLDS and/or to add loans manually are listed below.

### Loan Information

In this section, you will be required to add the loans that you want approved for repayment under the NHSC Loan Repayment Program.

To expedite this process, you may import your federal student loan(s) from the U.S. Department of Education's National Student Loan Data System (NSLDS) directly into the online application. For loans imported from the NSLDS, no supporting documents are required.

To Access Your Federal Student Loan(s) use the "Access your Loans" button below. You will be directed to the Department of Education's Federal Student Aid login page and required to log in using your Federal Student Aid ID (FSA ID). If you have any questions about your FSA ID, please visit: <https://www.nsls.ed.gov/npas/pub/faq.htm>

After successfully logging in to FSA, you will be automatically directed back to your application with your loans displayed below. Once your loans have been imported, please ensure all loans you wish to submit are listed. You may also select the 'Return to Source' button from the FSA ID Login screen at any time.

For additional loans that are not covered in the NSLDS and may be private education loans, you can still manually enter the loans along with supporting documents. Any loans that do not appear in your NSLDS account must be added to your application manually. If you attempt to add a loan that you believe is NOT a federal student loan(s), but receive an error message, please check the loan data and try again. It is possible that the loan is a duplicate to one that you have added electronically.

**Important Note:** If you experience any technical difficulties, please contact the Bureau of Health Workforce's Customer Care Center at 1-800-221-9393 (TTY: 1-877-897-9910) Monday through Friday (except federal holidays) from 8:00 a.m. to 8:00 p.m. ET or **email us**. If you are unable to resolve your technical difficulties or concerns in time to submit your complete application prior to March 29, 2016, the application deadline, please enter your loans manually. The period for submitting applications will not be extended due to difficulties with submitting your loans.

To manually add Loans click the "Need Help?" link to manually add loans you wish to submit for loan repayment.

When entering your loan information manually, you must enter loan information and supporting documentation for each servicing lender that you wish to be considered for repayment. The following documents will be required:

- Account Statement (Both Private and Federal) - Most recent statement from your lender/servicer that has your name, current loan balance and interest rate. This may be the official paper version, or a printed web version, that is scanned, uploaded, and not older than 30 days from the date you will submit your application.
- NSLDS Aid Summary Report (Federal Loans) - Most recent summary report taken from your National Student Loan Data Systems (NSLDS) account. This may be the official paper version, or a printed web version, that is scanned and uploaded. Note: This is the summary report only, which lists your federal student loans in one document and is available at <http://www.nsls.ed.gov>.
- Disbursement Report or Promissory Note (Non-Federal Loans) - A copy of the document provided by your lender/servicer that outlines the details of your loan agreement, including your name, the date the loan was obtained,

### Steps to Access your Loans:

1. Applicants navigate to LOG INTO YOUR NATIONAL STUDENT LOAN DATA SYSTEM ACCOUNT and clicks **Access your Loans**

If you have a consolidated loan, you must enter in all of the information in the table. All of the information must coincide with the information in the loan documents. If they do not coincide, the loan will be deemed ineligible.

You have not added any loans yet.

## Section 19: Resolving Issues

Please use the following instructions to resolve any inquiries an NHSC LRP applicant might have:

### 1. For Technical Issues:

#### Production Support Process:

- When a **technical** issue is encountered, e.g. Applicant cannot upload his/her Resume, the Customer Care Center should log the issue in the BMISS Issue Tracker. The NHSC LRP Application BMISS Hypercare team will monitor the BMISS Issue Tracker to define and resolve the issue. Once the issue is resolved, the Hypercare team will notify the Customer Care Center Analyst of the resolution.

#### Capturing Issues:

- It is important to capture and log as much detail as possible. The BMISS Hypercare Support Team will need enough information to recreate the issue in order to solve the problem. Applicant details should include the following:
  - Applicant information: Full name, last four of SSN, email, phone number
  - The exact NHSC LRP Online Application screen the applicant was on when the issue occurred (screenshot if applicable)
  - The Web Browser the applicant was using (e.g. Internet Explorer, Firefox, etc.)
  - The frequency of the issue (e.g. always, sometimes, etc.)

### 2. For Program Related Issues:

#### Division Support Process:

- If an applicant has a program question, the Customer Care Center will try to answer the problem by referring to the Application and Program Guidance. If the Customer Care Center is unable to answer the question then the Applicant's question and information are recorded and the Customer Care Center submits a ticket in the Escalation Management System (EMS). DNHSC analysts will answer the question and the Customer Care Center responds back to the Applicant.

#### Online Application Program Issues:

- For program/policy related questions, please submit a ticket in EMS.

#### Capturing Applicant Information:

- The following applicant information should be captured with as much detail of the issue as possible:
  - First and Last Name
  - Email Address
  - Phone Number
  - Last four digits of SSN
  - Section of Online Application the user was on when he/she encountered the problem
  - Detailed summary of the problem
  - Supporting Document (If applicable)
