Dear Dr. Hotton:

The UIC Office for the Protection of Research Subjects received your “Determination of Whether an Activity Represents Human Subjects Research” application, and has determined that this activity **DOES NOT engage UIC**.

You may conduct your activity without further submission to the IRB. Although UIC IRB approval is not required, you must obtain prospective UIC departmental approval prior to conducting the activity at UIC.

If this activity is used in conjunction with any other research involving human subjects or if it is modified in any way, it must be re-reviewed by OPRS staff.

All the documents associated with this proposal will be kept on file in the OPRS and an electronic copy of this letter is being provided to your Department Head for the department's research files.

If you have any questions or need further help, please contact the OPRS office at (312) 996-1711 or me at (312) 355-2908.

Sincerely,

Charles W. Hoehne, B.S., C.I.P.
