Public reporting burden for this voluntary collection of information is estimated to average 30 MINUTES per response. A Federal agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. Comments regarding this collection of information should be directed to: U.S. Geological Survey, Statistics and Information Systems Section, 988 National Center, Reston, VA 20192. **Please do not mail canvass forms to this address.**

Collection of nonfuel minerals information is authorized by Public Law 96-479 and the Defense Production Act. This information is used to support executive policy decisions pertaining to emergency preparedness, national defense, and analyses for minerals legislation and industrial trends. The USGS relies on your voluntary and timely response to assure that its information is complete and accurate. Please complete and return a separate form for each mineral establishment (mine only, mine with beneficiating and/or crushing or grinding plant, or crushing or grinding plant only) active during the calendar year in the enclosed envelope or fax to the above toll-free number. Use zero (0) when appropriate. Additional forms are available upon request.

If you have nothing to report, please complete ITEM 1, sign and return. In completing this form, reasonable estimates should be used wherever exact data are not available. Round to the nearest whole number. Please use the space for "Remarks" to provide any specific information that will help in the interpretation of the data.

If you have any questions concerning completion of this form, please contact the Mineral Commodities Data Unit, U.S. Geological Survey, 985 National Center, Reston, VA 20192, Telephone (703) 648-7960.

1. Establishment covered by this report.

1.1 Name and location of mine or associated beneficiating plant _____

1.2 Name and location of crushing or grinding plant _____

2. Barite of your own production sold or used during the year, by type of material.

Report the total quantity and value for each type of barite produced at this location and sold or used by you without further beneficiation. Under RUN OF MINE, exclude barite beneficiated at this establishment. In COLUMN 3, report the net selling value, f.o.b. your establishment, for the quantity in COLUMN 2. Report the total value received after discounts and allowances and excluding container cost, where applicable. If you consume material in your establishment or ship it to another establishment of your company, please estimate the value for this material. Use your net selling price as a basis for this estimate; if you did not sell the same type of material, base your estimate on the direct costs of production plus a reasonable proportion of company overhead and profits.
