INDIVIDUAL COMPANY
DATA - PROPRIETARY

Unless authorization is granted in the section above the signature, the data furnished in this report will be treated in confidence by the Department of the Interior, except that they may be disclosed to Federal defense agencies, or to the Congress upon official request for appropriate purposes. Unless objection is made in writing to the USGS, the information furnished in this report may be disclosed to the respondent's State Geological Survey (or similar State Agency) if the State has appropriate safeguards to prevent disclosing company proprietary data.

SALT
PLANT REPORT

(Please correct if name or address has changed.)

FACSIMILE NUMBER
1-800-543-0661

Public reporting burden for this voluntary collection of information is estimated to average 30 MINUTES per response. A Federal agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. Comments regarding this collection of information should be directed to: U.S. Geological Survey, Statistics and Information Systems Section, 988 National Center, Reston, VA 20192. **Please do not mail canvass forms to this address.**

Collection of nonfuel minerals information is authorized by Public Law 96-479 and the Defense Production Act. This information is used to support executive policy decisions pertaining to emergency preparedness, national defense, and analyses for minerals legislation and industrial trends. The USGS relies on your voluntary and timely response to assure that its information is complete and accurate. Please complete and return a separate form for each plant that was active during the calendar year in the enclosed envelope or fax to the above toll-free number. Use zero (0) when appropriate. Please do not make entries in shaded areas. Additional forms are available upon request.

In completing this form, reasonable estimates should be used wherever exact data are not available. Do not report decimals or fractions. Round to the nearest whole number. In describing products or materials, do not use brand or trade names. Please use the space for "Remarks" to provide any specific information that will help us in the use or interpretation of the data. If you have any questions concerning completion of this form, please contact the Mineral Commodities Data Unit, U.S. Geological Survey, 985 National Center, Reston, VA, 20192, Telephone (703) 648-7960.

SPECIFIC INSTRUCTIONS

(PLEASE DO NOT REPORT SALT PURCHASED FROM ANY SOURCE)

SECTION 1. Production and disposition of salt of YOUR OWN PRODUCTION by type of salt.

Report all quantities in short tons.

Column 2. Quantity produced.

Report the quantity of each kind of salt produced at this plant.

Column 3. Quantity used and/or sold.

Report the quantity of each kind of salt used and/or sold at this plant.

Column 4. Price per ton of material used and/or sold.

Report your selling price per ton. If you did not sell any material, report your production costs plus a reasonable proportion of company overhead and profits.

Column 5. Value of material used and/or sold.

Report the net selling value, f.o.b. your plant, for the quantity of salt used by you and/or sold. Report the net selling value received, excluding container cost, where applicable. Use your net selling price as a basis for estimating the value of the quantity used by you. If you did not sell any material, base your estimate on the direct cost of production, plus a reasonable proportion of company overhead and profits.

SECTION 2. Employment.

Report the average number of persons working during the report year. Report mine and mill separately. Include operating supervisors. Exclude office personnel (professional and clerical workers) at mine or plant.

Name and location of operation covered by this report.

Name _____ Nearest city or town _____

County _____ State _____
