RESTON, VIRGINIA 20192

**GYPSUM
Six Month Report**

**INDIVIDUAL COMPANY
DATA - PROPRIETARY**

Unless authorization is granted in the section above the signature, the data furnished in this report will be treated in confidence by the Department of the Interior, except that they may be disclosed to Federal defense agencies, or to the Congress upon official request for appropriate purposes.

(Please correct if name or address has changed.)

**FACSIMILE NUMBER
1-800-543-0661**

Public reporting burden for this voluntary collection of information is estimated to average 45 MINUTES per response. A Federal agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. Comments regarding this collection of information should be directed to: U.S. Geological Survey, Statistics and Information Systems Section, 988 National Center, Reston, VA 20192. **Please do not mail canvass forms to this address.**

Collection of nonfuel minerals information is authorized by Public Law 96-479 and the Defense Production Act. This information is used to support executive policy decisions pertaining to emergency preparedness, national defense, and analyses for minerals legislation and industrial trends. The USGS relies on your voluntary and timely response to assure that its information is complete and accurate.

Please return this form in the enclosed envelope or fax to the above toll-free number. Complete a separate form for each plant that was active during the reporting period. If you do not have exact data, please enter your best estimates and mark with an /e. Use zero (0) where appropriate. Do not report decimals or fractions. Round to the nearest whole number. Report quantity in short tons. If you have nothing to report, please complete Item 1, sign, and return the form. Please do not make entries in shaded areas. Please use the space for "Remarks" to provide any specific information that will help us in the use or interpretation of the data. Any statement on the effect of changes in economic conditions upon the reporting establishment will be useful. Additional forms are available upon request.

If you have any questions concerning completion of this form, please contact the Mineral Commodities Data Unit, U.S. Geological Survey, 985 National Center, Reston, VA 20192, Telephone (703) 648-7960.

1. Name and location of operation covered by this report.

Name _____
Nearest city or town _____
County _____ State _____

2. Gypsum sold or used during the 6-month period shown above. (Include anhydrite)

Product (1)	Code	Quantity (Short tons) (2)	
Crude gypsum mined in the United States.....	101		
Calcined gypsum.....	102		
Byproduct gypsum recovered.....	103		

Name of person to be contacted regarding this report			Tel. area code	No.	Ext.
Address	No.	Street	City	State	ZIP Code
May tabulations be published which could indirectly reveal the data reported above? <input type="checkbox"/> (1) Yes <input type="checkbox"/> (2) No					
Signature			Title	Date	

3. Gypsum sold or used during the 6-month period, by destination.

Product (1)	Code	New England (2)	Middle Atlantic (3)	East North Central (4)	West North Central (5)		South Atlantic (6)	East South Central (7)	West South Central (8)	Mountain (9)	Pacific (10)	Exports (11)	Total (12)
UNCALCINED (Short tons)													
Portland cement.....	201												
Agricultural.....	202												
Fillers and misc.....	203												
Total uncalcined.....	204												
CALCINED PLASTERS (Short tons)													
Building plasters Regular and millmixed basecoats.....	205												
Veneer plaster.....	207												
Gauging plaster and keene's cement.....	208												
Poured gypsum cement and concrete.....	209												
Total building plasters.....	211												
Industrial plasters.....	217												
BOARD PRODUCTS (Thousand square feet)													
Lath.....	221												
Veneer base.....	222												
Sheathing.....	223												
Regular gypsum board.....	230												
Type X gypsum board.....	231												
Predecorated wallboard.....	232												
5/16" Mobile home board.....	233												
Water/moist. resist. board.....	234												
Total board products.....	235

INSTRUCTIONS

1. Self-explanatory.

2. Gypsum sold or used during the reporting period (include anhydrite).

- Crude gypsum mined in the United States... Include anhydrite.
- Calcine gypsum..... Include gypsum produced from domestic, imported, or byproduct crude material, exclusive of additives.
- Byproduct gypsum..... Include gypsum from fertilizer plants, other chemical plants, and thermal powerplant scrubber operations.
- Quantity..... COLUMN (2). Report in short tons the quantity of gypsum sold or used during the report period.

3. Gypsum sold or used during the reporting period, by destination.

The geographic boundaries used conform to the U.S. Bureau of Census divisions. See listing of divisions. Report by geographic division based on DESTINATION rather than point of production or origin. Include both domestic and export.

Report all tonnages in short tons. Exclude gypsum products or materials transferred from one gypsum plant to another gypsum plant of the same company. Include gypsum products, whether sold or transferred for use in the manufacture of non-gypsum products, such as cement.

Bagged goods.

Include the weight of additives, paper, or other materials used in the final product, as sold.

To avoid duplication in reporting:

- (a) UNCALCINED.** Include purchased material but EXCLUDE sales to other gypsum producers.
- (b) CALCINED PLASTERS.** Include all products: EXCLUDE sale of purchased finished products; they are reported by the manufacturer.
 - Regular plasters.** Include spray fire-proofing and sales to mixing plants. EXCLUDE veneer plaster.
 - Mill-mixed base coat.** Include with regular plasters.
 - Veneer plaster.** Include base coat and finish plasters, and all other gypsum prepared finishes.
- (c) BOARD PRODUCTS.** Report board products, except laminated board, on a surface area basis, regardless of thickness. Report the surface area of the components of laminated board, rather than the finished product. Report in thousand square feet. Report the net selling value f.o.b. your establishment for the quantity reported. Report the total value received after discounts and allowances and excluding container cost, where applicable.
 - Lath.** Include regular, type X, perforated, foil back, include non-standard widths and lengths; EXCLUDE bases for veneer plasters.
 - Veneer base.** Include all gypsumboard used as base for veneer plasters.
 - Sheathing.** Include all single thickness sheathing, including type X board with or without water-resistant treatment.
 - Regular gypsumboard.** Include all thicknesses regular core board, formboard, backerboard, and water-resistant board. Report plant footage of laminated products based on area of component parts and not of finished products; EXCLUDE all type X core, predecorated products, and 5/16" mobile home board.
 - Type X gypsumboard.** Same as "Regular gypsumboard", except all type X core; EXCLUDE all regular core, gypsum sheathing and predecorated products.
 - Predecorated wallboard.** Include all products on which a decorative surface is factory-applied; laminated, or adhered to base products regardless of core, thickness, or type. EXCLUDE all 5/16 inch predecorated products and foil-back unless sold for decorative purposes.
 - 5/16 inch mobile home board.** Include all 5/16 inch board regardless of predecorated or plain surface.
