

**NON-MATERIAL CHANGE
SUPPORTING JUSTIFICATION
POSITIVE TRAIN CONTROL
OMB No. 2130-0553; Forms FRA F 6180.165 & FRA F 6180.166**

FRA updated the Supporting Justification after noticing a mistake in its Excel spreadsheet for the Dollar Equivalent Cost for the requested burden of 2,728,528 hours. FRA has changed the Dollar Equivalent Cost total to reflect the correct number.

FRA also updated the two PTC-related forms – Form FRA F 6180.165 (Quarterly PTC Report) and Form FRA F 6180.166 (Annual PTC Progress Report) – to reflect the recent OMB approval on September 24, 2018, and the new expiration date of March 31, 2020.
