UNITED STATES DEPARTMENT OF AGRICULTURE NATIONAL INSTITUTE OF FOOD AND AGRICULTURE

Assurance Statement(s)

STATEMENT OF POLICY - Institutions receiving NIFA funding for research are responsible for protecting human subjects, providing humane treatment of animals, and monitoring use of recombinant DNA. To provide for the adequate discharge of this responsibility. NIFA policy requires an assurance by the

Institution's Authorized Organizational Representative (AOR) that appropriate committees in each institution have carried out the initial review of protocols and will conduct continuing reviews of supported projects.

discharge of this responsibility, NIFA policy requires an assurance by the			http://www.nifa.usda.gov/business/awards/assurance.html.
