FOR NONHUMAN PRIMATES**

INSTRUCTIONS

For use of this form, see 9 CFR 3.81 (Animal Welfare Regulations, Title 9, Subchapter A, Part III, Subpart D, Section 3.81)

Dealers, exhibitors, and research facilities must develop, document, and follow an appropriate plan for adequate environment enhancement that promotes the psychological well-being of nonhuman primates. The plan must be in accordance with currently accepted professional standards as cited in appropriate journals or reference guides, and as directed by the attending veterinarian. The plan must be made available to the USDA APHIS upon request.

This form may be used to meet the requirement for a written Environment Enhancement Plan (EEP) for the Psychological Well-Being of Nonhuman Primates. Use of this form is voluntary and alternatively, it may be used as a guideline for developing and writing the plan for your activity.

Pages or blocks which do not apply to the facility should be marked N/A. If the space provided is not adequate for a specific topic, additional sheets may be added. Ensure the additional sheets include Section and Item Numbers.
