The making of any false statement or representations in any matter within the jurisdiction of any agency of the United States, knowing it to be false, is a violation of title 18, section 1001, of the United States Code, which provides for a penalty of a fine or imprisonment of not more than five years, or both.

INSTRUCTIONS FOR COMPLETING FORM RAC-6

1. This report should be prepared by the transferring handler, who should transmit the *original* to the Raisin Administrative Committee (RAC) immediately upon transfer, and the *pink* and *goldenrod* copies to the receiving handler. The *yellow* copy should be kept by the transferring handler; the *goldenrod* copy should be kept by the receiving handler.
2. The *transferring* handler should complete all blocks, except for the block to be filled out by the receiving handler, identifying the specific plant, by name or geographic location, from which the raisins were actually moved.
3. The *receiving* handler should complete the block in the right middle section, showing the date the raisins were received. He should also identify the specific plant, by name or geographic location, at which the raisins were received. The *pink* copy should be mailed to the RAC not later than five days following the transfer.
4. The varietal types are defined in section 989.10 of Marketing Order No. 989 (7 CFR Part 989).
5. In column (3) "Condition," specify whether natural condition, stemmed or processed.
6. The net weight to be reported is the actual weight of the raisins being transferred.
7. Consult RAC Field Representatives on any points not clear to you.
