Regional Office, (808) 725-5033 or rini.ghosh@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for an extension of a currently approved information collection. National Marine Fisheries Service (NMFS) has issued regulations under authority of the Western and Central Pacific Fisheries Convention Implementation Act (WCPFCIA; 16 U.S.C. 6901 *et seq.*) to carry out the obligations of the United States under the Convention on the Conservation and Management of Highly Migratory Fish Stocks in the Western and Central Pacific Ocean (Convention). The regulations include requirements for the owners and operators of U.S. vessels to: (1) Complete and submit a Pacific Transshipment Declaration form for each transshipment of highly migratory species in the area of application of the Convention (Convention Area) and each transshipment of highly migratory species caught in the Convention Area; (2) submit a notice containing specific information at least 36 hours prior to each transshipment on the high seas in the Convention Area or within 12 hours of an emergency transshipment that would otherwise be prohibited; (3) provide notice to NMFS at least 72 hours before leaving port of the need for an observer, in the event that a vessel anticipates a transshipment where an observer is required; (4) complete and submit a U.S. Purse Seine Discard form within 48 hours after any discard; and (5) submit certain information regarding purse seine fishing activities. The information collected from these requirements is used by NOAA and the WCPFC to help ensure compliance with domestic laws and the Commission's conservation and management measures, and are necessary in order for the United States to satisfy its obligations under the Convention.

II. Method of Collection

Respondents must submit some of the information by mail or in person via paper forms, and must submit other information electronically by fax or email.

III. Data

OMB Control Number: 0648-0649.

Form Number(s): None.

Type of Review: Regular submission (extension of a currently approved information collection).

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 214.

Estimated Time per Response:
Transshipment Report: 60 minutes;
Notice for Transshipment: 15 minutes;
Pre-trip Notification for Observer Placement: 1 minute; Purse Seine Discard Report: 30 minutes; Purse Seine Fishing Activity Information: 10 minutes.

Estimated Total Annual Burden Hours: 2,499.

Estimated Total Annual Cost to Public: \$12,369.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: August 9, 2018.

SUPPLEMENTARY INFORMATION:

I. Abstract

United States (U.S.) vessels that fish on the high seas (waters beyond the U.S. exclusive economic zone) are required to possess a permit issued under the High Seas Fishing Compliance Act. Applicants for this permit must submit information to identify their vessels, owners and operators of the vessels, and intended fishing areas. The application information is used to process permits and to maintain a register of vessels authorized to fish on the high seas.

The HSFCA also requires vessels be marked for identification and enforcement purposes. Vessels must be marked in three locations (port and starboard sides of the deckhouse or hull, and on a weatherdeck) with their official number or radio call sign.

These requirements apply to all vessels fishing on the high seas.

II. Method of Collection

Owners or operators of high seas fishing vessels must submit paper permit application forms and paper logbook pages to NMFS. No information is submitted for the vessel marking requirement. The markings are only displayed on the vessel.

III. Data

OMB Number: 0648-0304.

Form Number: None.

Type of Review: Regular submission (extension of a currently approved information collection).

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 600.

Estimated Time per Response: 30 minutes per application form; for logbook reports, 6 minutes per day for days fish are caught, 1 minute per day for days when fish are not caught; 45 minutes (15 minutes for each of 3 locations) for vessel markings.

Estimated Total Annual Burden Hours: 539.

Estimated Total Annual Cost to Public: \$183,876.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to Office of Naval Research Arctic Research Activities

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; proposed incidental harassment authorization; request for comments on proposed authorization and possible renewal.

SUMMARY: NMFS has received a request from the U.S. Navy's Office of Naval Research (ONR) for authorization to take marine mammals incidental to Arctic Research Activities in the Beaufort and Chukchi Seas. Pursuant to the Marine Mammal Protection Act (MMPA), NMFS is requesting comments on its proposal to issue an incidental harassment authorization (IHA) to incidentally take marine mammals during the specified activities. NMFS will consider public comments prior to making any final decision on the issuance of the requested MMPA authorizations and

agency responses will be summarized in the final notice of our decision. ONR's activities are considered military readiness activities pursuant to the MMPA, as amended by the National Defense Authorization Act for Fiscal Year 2004 (NDAA).

DATES: Comments and information must be received no later than September 13, 2018.

ADDRESSES: Comments should be addressed to Jolie Harrison, Chief, Permits and Conservation Division, Office of Protected Resources, National Marine Fisheries Service. Physical comments should be sent to 1315 East-West Highway, Silver Spring, MD 20910 and electronic comments should be sent to ITP.Fowler@noaa.gov.

Instructions: NMFS is not responsible for comments sent by any other method, to any other address or individual, or received after the end of the comment period. Comments received electronically, including all attachments, must not exceed a 25-megabyte file size. Attachments to electronic comments will be accepted in Microsoft Word or Excel or Adobe PDF file formats only. All comments received are a part of the public record and will generally be posted online at <https://www.fisheries.noaa.gov/national/marine-mammal-protection/incidental-take-authorizations-military-readiness-activities> without change. All personal identifying information (e.g., name, address) voluntarily submitted by the commenter may be publicly accessible. Do not submit confidential business information or otherwise sensitive or protected information.

SUPPLEMENTARY INFORMATION:

Background

The MMPA prohibits the "take" of marine mammals, with certain exceptions. Sections 101(a)(5)(A) and (D) of the MMPA (16 U.S.C. 1361 *et seq.*) direct the Secretary of Commerce (as delegated to NMFS) to allow, upon request, the incidental, but not intentional, taking of small numbers of marine mammals by U.S. citizens who engage in a specified activity (other than
