Contractor Employees

Registration instructions for US Department of Defense (DoD) Federal Government contractors, Small Business Innovation & Research Program (SBIR), Historically Black Colleges or University (HBCU) or University Research Support (URS)/University Research Institutions (URI)); MUST have an active Government Contract or Grant.

The level of access granted to a contractor depends upon the classification of the contract or grant being registered with DTIC and the approval of the Government Approving Official (GAO), (i.e., Contracting Officer (CO), Contracting Officer Representative (COR), Contracting Officer Technical Representative (COTR), or Program Manager (PM)).

Contractors could have access to the following classifications depending on the level of their contract with GAO approval:

- Unclassified, Limited (UL)
- Confidential
- Secret
- Restricted Data
- Critical Nuclear Weapons Design Information (CNWDI/Restricted Data)

Contractors MUST register with a DoD Issued CAC, ECA cards/certs or Federal Government PIV, which is not the same as a PIV-I. Please contact DTIC registration staff dtic.belvoir.us.mbx.dtic-access@mail.mil with questions about user ID and password access.

Note: In order to register with a PIV card or ECA, DoD Root Certificates must be loaded to your browser. Please use the following instructions to download the DoD Root certificates to your browser.

1. Visit the following link to install/update the DoD Root Certificates to your browser of choice:
