2018-2019 SURVEY of ADMINISTRATORS of HEALTH CENTERS THAT PROVIDE FAMILY PLANNING

Form Approved
OMB Number: 0920-0969
Expiration Date: XX/XX/XXXX

Be assured that your responses will be maintained in a secure manner. This survey has been approved by the Centers for Disease Control and Prevention as non-research public health practice.

Please complete this survey within 21 days.

To determine if you are eligible to participate in this survey, please answer the following question:

Does your clinic provide family planning services* to at least two women of reproductive age per week? *

Yes

No

* For the purpose of this survey, a **family planning service** is any service related to postponing or preventing pregnancy. Family planning services may include a medical examination related to provision of a method, contraceptive counseling, method prescription or supply visits. A patient may receive a family planning service even if the primary purpose of the visit is not for contraception.

Please answer each of the following questions as they relate to the health center where you are receiving this survey.

- You may need assistance from other staff, such as your site medical director, to complete this survey
- If you are a part of a multi-site agency**, feel free to consult with your parent agency to answer questions as needed or as may be required by your agency. However, most questions relate to this specific clinic or center (not to the parent agency).
- If you work for an agency that oversees more than one clinic or center**, please answer only for the one center or clinic at which you received this survey.
- The information will not be used to assess compliance with federal or other regulations or as part of your agency's performance reviews.

2018-2019 SURVEY of ADM

www.surveymongo.com/13149663/2017-2018-SURVEY-OF-ADMINISTRATORS-OF-PUBLICLY-FUNDED-HEALTH-CENTERS-THAT-PROVIDE-FAMILY-PLANNING

To determine if you are eligible to participate in this survey, please answer the following question:

Does your clinic provide family planning services* to at least two women of reproductive age per week? *

Yes

No

* For the purpose of this survey, a **family planning service** is any service related to postponing or preventing pregnancy. Family planning services may include a medical examination related to provision of a method, contraceptive counseling, method prescription or supply visits. A patient may receive a family planning service even if the primary purpose of the visit is not for contraception.

Please answer each of the following questions as they relate to the health center where you are receiving this survey.

- You may need assistance from other staff, such as your site medical director, to complete this survey
- If you are a part of a multi-site agency**, feel free to consult with your parent agency to answer questions as needed or as may be required by your agency. However, most questions relate to this specific clinic or center (not to the parent agency).
- If you work for an agency that oversees more than one clinic or center**, please answer only for the one center or clinic at which you received this survey.
- The information will not be used to assess compliance with federal or other regulations or as part of your agency's performance reviews.
- Your complete answers are essential to helping us support publicly-funded family planning service in the future.

Public reporting burden of this collection of information is estimated to average 35 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road, MS D-74, Atlanta, GA 30333, ATTN: PRA (0920-0969).

III. Health Center Infrastructure and Communication Systems

12. In the past 3 months, about how often did your health center make available the following services or materials to clients?

	Never	Rarely	Occasionally	Frequently
Same-day appointments for clinical services	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Weekend or evening hours for clinical services	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Adolescent-only hours or days for clinical services	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Educational materials (written or video) specifically designed for adolescents	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Educational materials (written or video) in languages that match the needs of your client base	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Language translation services that match the needs of your client base	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

13. In the past 3 months, about how often did your health center do the following, related to adolescent clients?

	Never	Rarely	Occasionally	Frequently
Offered time alone with a provider for adolescents who come with a parent or guardian	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Required parental consent, for adolescents seeking contraceptive services	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Actively encouraged communication between adolescents and parents/guardians about sex and reproductive health	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Actively promoted the availability of confidential services to adolescents	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Provided information clarifying that avoiding sex is an effective way to prevent pregnancy and STDs	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

14. An Electronic Health Record (EHR) is a digital version of a patient's paper chart and contains information about a patient's medical history, diagnoses, immunization dates, allergies, test results, and more.

14. An Electronic Health Record (EHR) is a digital version of a patient's paper chart and contains information about a patient's medical history, diagnoses, immunization dates, allergies, test results, and more.

Yes No

Does your health center currently use an EHR system?

If yes, please specify the EHR vendor name:

15. If your health center uses an EHR, is there a place within your EHR interface (not in a Notes section) to capture the following patient information?

	Yes	No
Patient pregnancy intention	<input type="radio"/>	<input type="radio"/>
If yes, do you use One Key Question®?	<input type="radio"/>	<input type="radio"/>
Sexual history	<input type="radio"/>	<input type="radio"/>
Ever had sex	<input type="radio"/>	<input type="radio"/>
Currently sexually active	<input type="radio"/>	<input type="radio"/>
Contraceptive method provided at end of visit	<input type="radio"/>	<input type="radio"/>

16. In the past 12 months, did your health center use any of the following methods for community education?

	Yes	No
Websites	<input type="radio"/>	<input type="radio"/>
Social media (e.g., Facebook, Twitter)	<input type="radio"/>	<input type="radio"/>
<input type="text"/>	<input type="radio"/>	<input type="radio"/>

17. In the past 12 months, did your health center conduct community education in the following places or groups?

2018-2019 SURVEY of ADM

www.surveymongo.com/13/314965/2017-2018-SURVEY-OF-ADMINISTRATORS-OF-PUBLICLY-FUNDED-HEALTH-CENTERS-THAT-PROVIDE-FAMILY-PLANNING

17. In the past 12 months, did your health center conduct community education in the following places or groups?

	Yes	No
Schools	<input type="radio"/>	<input type="radio"/>
Colleges or universities	<input type="radio"/>	<input type="radio"/>
Other youth-serving groups	<input type="radio"/>	<input type="radio"/>
Parent groups	<input type="radio"/>	<input type="radio"/>
Faith-based organizations	<input type="radio"/>	<input type="radio"/>
Enter another option	<input type="radio"/>	<input type="radio"/>

2018-2019 SURVEY of ADMINISTRATORS of HEALTH CENTERS THAT PROVIDE FAMILY PLANNING

V. Questions about Survey Completion and Awareness of Guidelines

21. Which of the following best describes the primary role of the person or persons who completed this survey? (Select all that apply.)

- Administrator
- Medical director
- Nurse / nurse practitioner manager
- Other (please specify)

22. If your health center is a part of a multi-site agency, did you consult your parent agency to complete this survey?

- Yes, parent completed entire survey
- Yes, parent completed or checked parts of the survey
- No, parent did not help complete or check the survey
- No, we are not part of a multi-site agency
- No, we are the parent agency

23. Have you heard about the 2014 federal guidance entitled, "Recommendations for Providing Quality Family Planning Services" (also known as "QFP")?

- No, I have not heard about it
- Yes, I heard about it, but haven't read it
- Yes, I heard about it, and have read it
- Yes, and I use it

24. Have you heard about the 2016 federal guidance entitled, "Providing Family Planning Care for Non-Pregnant Women and Men of Reproductive Age in the Context of Zika" (also known as the "Zika toolkit")?

- No, I have not heard about it
- Yes, I heard about it, but haven't read it
- Yes, I heard about it, and have read it
- Yes, and I use / used it

25. Have you heard about the federal guidance entitled, "2015 STD Treatment Guidelines"?

- No, I have not heard about it
- Yes, I heard about it, but haven't read it
- Yes, I heard about it, and have read it
- Yes, and I use it
