

Choose Safe Places for Early Care and Education Feedback Survey

Form Approved
 OMB No. 0923-0047
 Exp. Date 01/31/2022

Burden Statement

ATSDR estimates the average public reporting burden for this collection of information as 10 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0923-0047).

The following survey is intended to collect your feedback on the Choose Safe Places for Early Care and Education Program (CSPECE). The purpose of this survey is to assess the support and resources provided over the past two years and needs for the future. We welcome your feedback, so that we can improve our services for you.

1. Please indicate your state: [drop-down]

The following section will ask about resources and assistance that were provided by the Agency for Toxic Substances and Disease Registry (ATSDR), Children’s Environmental Health Network (CEHN), National Association of County and City Health Officials (NACCHO), and Environmental Law Institute (ELI).

2. Below is a list of **ATSDR** resources that were provided to assist you with your CSPECE work. Rate how useful each of the following resources was on a scale of 1 (not useful) to 4 (highly useful). If you did not use a particular resource, select “I did not use this resource.”

	1 Not useful	2 Somewhat useful	3 Useful	4 Highly Useful	I did not use this resource
