4	What is the history or background for including this measure on the 2018 MUC list?	Yes	Select only one reason	Select one	None New measure never reviewed by MAP Workgroup or used in a CMS program Measure previously submitted to MAP, refined and resubmitted per MAP recommendation Measure currently used in a CMS program being submitted as-is for a new or different program Measure currently used in a CMS program, but the measure is undergoing substantial change	
5	If currently used:					
6	Range of year(s) this measure has been used by CMS Program(s).	No	For example: Hospice Quality Reporting (2012-2017)	Free text		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
7	What other federal programs are currently using this measure?	No	Select as many as apply. These should be current use programs only, not programs for the 2018 submittal.	Multi-select	<ul style="list-style-type: none"> Ambulatory Surgical Center Quality Reporting Program End-Stage Renal Disease Quality Incentive Program Comprehensive Primary Care Plus (CPC+) Home Health Quality Reporting Program Hospice Quality Reporting Program Hospital-Acquired Condition Reduction Program Hospital Inpatient Quality Reporting Program Hospital Outpatient Quality Reporting Program Hospital Readmissions Reduction Program Hospital Value-Based Purchasing Program Inpatient Psychiatric Facility Quality Reporting Program Inpatient Rehabilitation Facility Quality Reporting Program Long-Term Care Hospital Quality Reporting Program Medicaid Adult Core Set Medicaid and Medicare EHR Incentive Program for Eligible Hospitals and Critical Access Hospitals Medicare Shared Savings Program Merit-based Incentive Payment System-Cost Merit-based Incentive Payment System-Quality Prospective Payment System-Exempt Cancer Hospital Quality Reporting Program Skilled Nursing Facility Quality Reporting Program Skilled Nursing Facility Value-Based Purchasing Program 	

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
8	Summary	Yes	Provide the measure title only (255 characters or less). Put program-specific ID number in the next field, not in the title. Note: Do not enter the NQF ID, former JIRA MUC ID number, or any other ID numbers here (see below).	Free text 255 characters max		
9	Measure ID	No	Alphanumeric identifier (if applicable), such as a recognized program ID number for this measure (20 characters or less). Examples: 199 GPRO HF-5; ACO 28; CTM-3; PQI #08. Fields for the NQF ID number and previous year(s) JIRA MUC ID number are provided in other data fields within this form.	Free text 20 characters max		
10	Measure description	Yes	Provide a brief description of the measure (700 characters or less). When you paste text, any content over the limit will be truncated.	Free text 700 characters or less)		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
11	Numerator	Yes	The upper portion of a fraction used to calculate a rate, proportion, or ratio. A clinical action to be counted as meeting a measure's requirements. For all fields, especially Numerator and Denominator, use plain text whenever possible. If needed, convert any special symbols, math expressions, or equations to plain text (keyboard alphanumeric, such as + - * /). This will help reduce errors and speed up data conversion, team evaluation, and MUC report formatting.	Free text		
12	Denominator	Yes	The lower part of a fraction used to calculate a rate, proportion, or ratio. The denominator is associated with a given patient population that may be counted as eligible to meet a measure's inclusion requirements.	Free text		
13	Exclusions	Yes	If applicable, specify Numerator Exclusion, Denominator Exclusion, or Denominator Exception.	Free text		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
14	Measure Type	Yes	Select only one type of measure. For definitions, visit this web site: https://www.cms.gov/Medicare/Quality-Initiatives-Patient-Assessment-Instruments/QualityMeasures/Pre-Rule-Making.html and link to the user guide under The JIRA System.	Select one	None Composite Cost/Resource Use Efficiency Intermediate Outcome Outcome Patient Reported Outcome Process Structure Other (enter in Comments at far bottom of this form)	
15	Which clinical guideline(s)?	No	The measure should improve compliance with standard clinical guidelines. Provide a detailed description of which guideline supports the measure and how the measure will enhance compliance with the clinical guidelines. Indicate whether the guideline is evidence-based or consensus-based.	Free text		
16	Is this measure similar to and/or competing with measure(s) already in a program?	Yes	Consider other measures with similar purposes.	Select one	Yes No	
17	If Yes:					
18	Which measure(s) already in a program is your measure similar to and/or competing with?	No	Identify the other measure(s) including title and any other unique identifier	Free text		
19	How will this measure add value to the CMS program?	No	Describe benefits of this measure, in comparison to measure(s) already in a program.	Free text		
20	How will this measure be distinguished from other similar and/or competing measures?	No	Describe key differences that set this measure apart from others.	Free text		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
21	What is the target population of the measure?	Yes	What populations are included in this measure? e.g., Medicare Fee for Service, Medicare Advantage, Medicaid, All Payer, etc.	Free text		
22	What one area of specialty is the measure aimed to, or which specialty is most likely to report this measure?	Yes	Select the most applicable area of specialty. Use the scroll bar to view all available specialties.	Select one	See Appendix A.22 for list choices.	
23	What one healthcare priority applies to this measure?	Yes	Healthcare priorities (also known as domains); select one.	Select one	<p>Make care safer by reducing harm caused in the delivery of care</p> <p>Strengthen person and family engagement as partners in their care</p> <p>Promote effective communication and coordination of care</p> <p>Promote effective prevention and treatment of chronic disease</p> <p>Work with communities to promote best practices of healthy living</p> <p>Make care affordable</p>	

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
24	What one meaningful measure applies to this measure?	Yes	Select one. The meaningful measure choices depend on your selection of healthcare priority above.	Select one	<p>If #23 is Make care safer..., then choices are:</p> <ul style="list-style-type: none"> Healthcare-associated infections Preventable healthcare harm <p>If #23 is Strengthen person..., then choices are:</p> <ul style="list-style-type: none"> Care is personalized and aligned with patient's goals End of life care according to preferences Patient's experience of care Patient reported functional outcomes <p>If #23 is Promote effective communication..., then choices are:</p> <ul style="list-style-type: none"> Medication management Admissions and readmissions to hospitals Transfer of health information and interoperability <p>If #23 is Promote effective prevention..., then choices are:</p> <ul style="list-style-type: none"> Preventive care Management of chronic conditions Prevention, treatment, and management of mental health Prevention and treatment of opioid and substance use disorders Risk adjusted mortality <p>If #23 is Work with communities..., then choices are:</p> <ul style="list-style-type: none"> Equity of care Community engagement <p>If #23 is Make care affordable, then choices are:</p> <ul style="list-style-type: none"> Appropriate use of healthcare Patient-focused episode of care Risk adjusted total cost of care 	

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
25	Briefly describe the peer reviewed evidence justifying this measure	Yes	Add description of evidence.	Free text		
26	What is the NQF status of the measure?	Yes	Select only one. Refer to http://www.qualityforum.org/QPS/ for information on NQF endorsement, measure ID, and other information.	Select one	None Endorsed De-endorsed Submitted Failed endorsement Never submitted	
27	NQF ID number	Yes	Four-digit number with leading zeros if needed. If no NQF ID number is known, enter numerals 0000.	Four-digit ID value		
28	Evidence that the measure can be operationalized	No	Provide evidence that the data source used by the measure is readily available to CMS. Summarize how CMS would operationalize the measure. For example, if the measure is based on registry data, the submitter must provide evidence that the majority of the hospitals in the program in which the measure will be used participate in the registry; if the measure is registry-based, the submitter must provide a plan for CMS to gain access to the registry data. For eQMs, attach feasibility scorecard or other quantitative evidence indicating measure can be reported by the intended reporting entities.	Free text		
29	If endorsed:					
30	Is the measure being submitted exactly as endorsed by NQF?	No	Select only one	Radio button	Yes No	

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
39	What data sources are used for the measure?	Yes	Select as many as apply. Hold down the Ctrl button while choosing to make multiple selections. If Non-Medicare Administrative Claims, then enter relevant parts in the field below. If EHR, then enter relevant parts in the field below. If Registry, then enter which registry in the field below.	Multi-select	Administrative claims Administrative clinical data Facility discharge data Chronic condition data warehouse (CCW) Claims CROWNWeb EHR Hybrid IRF-PAI LTCH CARE data set National Healthcare Safety Network OASIS-C1 Paper medical record Prescription Drug Event Data Elements PROMIS Record review Registry Survey Other (enter in Comments at far bottom of this screen) None	
40	If Registry:					
41	Specify the registry(ies)	No	Identify the registry using the submitted measure. Select as many as apply. Use the scroll bar to view all available registries.	Multi-select	See Appendix A.41 for list choices.	
42	If EHR or Administrative Claims or Chart-Abstracted Data, description of parts related to these sources	No	Provide a brief, specific description of which parts of the measure are taken from EHR, administrative claims-based, or chart-abstracted (i.e., paper medical records) data sources.	Free text		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
43	How is the measure expected to be reported to the program?	Yes	This differs from the data sources above. This is the anticipated data submission method. "Administrative Claims" is for CMS-developed measures only. Select as many as apply. Hold down the Ctrl button while choosing to make multiple selections.	Multi-select	eCQM Registry Claims Administrative Claims Other (enter in Comments at far bottom of this screen)	
44	Is this measure an eCQM?	Yes	Is this an electronic clinical quality measure (eCQM)? Select only one. If your answer is yes, the Measure Authoring Tool (MAT) ID number must be provided below.	Select one	Yes No	
45	If eCQM = Yes					
46	If eCQM, enter Measure Authoring Tool (MAT) number	Yes	If not an eCQM, or if MAT number is not available, enter 0. In the Attachments field below, you must attach Bonnie test cases for this measure, with 100% logic coverage (test cases should be appended), attestation that value sets are published in Value Set Authority Center, and NQF feasibility scorecard.	Free text		
47	If eCQM, does the measure have a Health Quality Measures Format (HQMF) specification in alignment with the latest HQMF standards?	Yes	If not eCQM, select No	Select one	Yes No	

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
48	Evidence of performance gap	Yes	Evidence of a performance gap among the units of analysis in which the measure will be implemented. Provide analytic evidence that the units of analysis have room for improvement and therefore that the implementation of the measure would be meaningful. The distribution of performance should be wide. Measures must not address "topped-out" opportunities. Please provide current rate of performance and standard deviation from that rate to demonstrate variability. If available, please provide information on the testing data set. If available, include percent average performance rate, minimum, and maximum. Include validity and reliability values in a standard format, and the population size used in determining these values.	Free text		
49	Unintended consequences	No	Summary of potential unintended consequences if the measure is implemented. Information can be taken from NQF CDP manuscripts or documents. If referencing NQF documents, you must submit the document or a link to the document, and the page being referenced.	Free text		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
50	Was this measure published on a previous year's Measures under Consideration list?	Yes	If yes , you are submitting an existing measure for expansion into additional CMS programs or the measure has substantially changed since originally published, then proceed to the following subset of data fields including: In what prior year(s) was this measure published?, What were the MUC IDs for the measure in each year?, Why was the measure not recommended by the MAP workgroups in those year(s)?, What were the programs that NQF MAP reviewed the measure for in each year?, List the NQF MAP workgroup(s) in each year, What was the NQF MAP recommendation each year?, and NQF MAP report page number being referenced for each year. If no , then skip these subset questions.	Select one	Yes No	
51	In what prior year(s) was this measure published?	No	Select as many as apply. Hold down the Ctrl button while choosing to make multiple selections.	Multi-select	None 2011 2012 2013 2014 2015 2016 2017 Other (enter in Comments at far bottom of this screen)	
52	What were the MUC IDs for the measure in each year?	No	List both the year and the associated MUC ID number in each year. If unknown, enter N/A.	Free text		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
53	List the NQF MAP workgroup(s) in each year	No	List both the year and the associated workgroup name in each year. Workgroup options: Clinician; Hospital; Post-Acute Care/Long-Term Care; Coordinating Committee. Example: "Clinician, 2014"	Free text		
54	What were the programs that NQF MAP reviewed the measure for in each year?	No	List both the year and the associated program name in each year.	Free text		
55	What was the NQF MAP recommendation in each year?	No	List the year(s), the program(s), and the associated recommendation(s) in each year. Options: Support; Do Not Support; Conditionally Support; Refine and Resubmit	Free text		
56	Why was the measure not recommended by the MAP workgroups in those year(s)?	No	Briefly describe the reason(s) if known.	Free text		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
57	NQF MAP report link for each year		<p>For your reference in completing this section, click on the links below or copy/paste the links into your browser to view each year's MAP pre-rulemaking report (2012 to 2018).</p> <p>2018: Link currently unavailable</p> <p>2017: http://www.qualityforum.org/map/</p> <p>2016: http://www.qualityforum.org/map/</p> <p>2015: http://www.qualityforum.org/WorkArea/linkit.aspx?LinkIdentifier=id&ItemID=78711</p> <p>2014: http://www.qualityforum.org/Publications/2014/01/MAP_Pre-Rulemaking_Report_2014_Recommendations_on_Measures_for_More_than_20_Federal_Programs.aspx</p> <p>2013: http://www.qualityforum.org/Publications/2013/02/MAP_Pre-Rulemaking_Report_-_February_2013.aspx</p> <p>2012: http://www.qualityforum.org/Publications/2012/02/MAP_Pre-Rulemaking_Report_Input_on_Measures_Under_Consideration_by_HHS_for_2012_Rulemaking.aspx</p> <p>All major NQF reports going back to 2008 should be locatable here: http://www.qualityforum.org/Publications.aspx</p>			
58	NQF MAP report page number being referenced for each year	No	List both the year and the associated MAP report page number for each year.	Free text		
59	If this measure is being submitted to meet a statutory requirement, please list the corresponding statute	No	List title and other identifying citation information.	Free text		
60	Measure steward	Yes	Select the current Measure Steward. Select as many as apply. Use the scroll bar to view all available stewards. Hold down the Ctrl button while choosing to make multiple selections.	Multi-select	See Appendix A.60-62 for list choices.	
61	Measure Steward Contact Information	Yes	Last name, First name; Affiliation (if different); Telephone number; Email address	Free text		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
62	Long-Term Measure Steward (if different)	No	Entity or entities that will be the permanent measure steward(s), responsible for maintaining the measure and conducting NQF maintenance review. Use the scroll bar to view all available stewards. Hold down the Ctrl button while choosing to make multiple selections.	Multi-select	See Appendix A.60-62 for list choices.	
63	Long-Term Measure Steward Contact Information	No	If different from Steward above: Last name, First name; Affiliation; Telephone number; Email address	Free text		
64	Primary Submitter Contact Information	Yes	If different from Steward above: Last name, First name; Affiliation; Telephone number; Email address	Free text		
65	Secondary Submitter Contact Information	No	If different from name(s) above: Last name, First name; Affiliation; Telephone number; Email address	Free text		
66	Comments	No	Any notes, qualifiers, external references, or other information not specified above. For OTHER entries: please indicate the type of additional data you are providing, such as Measure Type, Setting, Level of Analysis, or Measure Steward.	Free text		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
67	Attachment(s)	No	<p>The maximum file upload size is 10.00 MB. You are encouraged to attach measure information form (MIF) if available. This is a detailed description of the measure used by NQF during endorsement proceedings. If a MIF is not available, comprehensive measure methodology documents are encouraged.</p> <p>If you select MIPS, please navigate to the Additional Resources list at this web site: https://www.cms.gov/Medicare/Quality-Initiatives-Patient-Assessment-Instruments/QualityMeasures/Pre-Rule-Making.html, download the "MIPS Peer Review Template and a Completed Sample," and attach the completed form to your JIRA submission using the "Attachments" field at the bottom of this web page.</p> <p>If eCQM, you must attach Bonnie test cases for this measure, with 100% logic coverage (test cases should be appended), attestation that value sets are published in Value Set Authority Center, and NQF feasibility scorecard.</p>	Browse for files

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is XXXX-XXXX (Expiration date: XX/XX/XXXX). The time required to complete this information collection is estimated to average 0.5 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850. ****CMS Disclosure**** Please do not send applications, claims, payments, medical records or any documents containing sensitive information to the PRA Reports Clearance Office. Please note that any correspondence not pertaining to the information collection burden approved under the associated OMB control number listed on this form will not be reviewed, forwarded, or retained. If you have questions or concerns regarding where to submit your documents, please contact QPP@cms.hhs.gov.
