

Addendum to the Supporting Statement for Form SSA-1199-(Country)
International Direct Deposit
31 CFR 210
OMB No. 0960-0686

Minor Revisions to the Collection Instrument

SSA is making the following revisions:

- **Change #1:** We are adding the following bank data request fields to page 1 under Section 3:
 - Reasons for payment check boxes
 - Relevé d'Identité Bancaire (RIB)
 - Smart National Identity Card (SNIC) number
 - Computerized National Identity (CNIC) number
 - Paraguay Bank National ID
 - Passport ID
 - State ID
 - Tax National ID
 - Beneficiary National ID
 - Bank Identification Code
 - Country Bank Information

Justification #1: We are adding additional banking fields, because some countries require a unique combination of bank information in order to process International Direct Deposit requests. Therefore, we need to make room for the necessary requested information on our form. This does not increase the burden.

- **Change #2:** We are revising the Privacy Act Statement on this form.

Justification #2: SSA's Office of the General Counsel is conducting a systematic review of SSA's Privacy Act Statements on agency forms. As a result, SSA is updating the Privacy Act Statement on the form.
