Important Information about USCIS ELIS Accounts and Benefit Applications

Each person (other than your spouse and/or child), who wants to file a benefit request must create his or her own unique account in USCIS ELIS.

NEVER give out your USCIS ELIS account number or password to another individual or allow another person to use your USCIS ELIS account and password to file a benefit request.

The following individuals can create an account in USCIS ELIS:

- Customers who will be filing a benefit request for themselves;
- Attorneys and Accredited Representatives certified by the Board of Immigration Appeals (BIA);
- Parents of minors under the age of 14; and
- Legal guardians for incapacitated or severely disabled individuals.

NOTE: The parent or legal guardian must create a USCIS ELIS account in the name of the child or incapacitated person. The parent or legal guardian also must list himself as the preparer of the benefit request. You May be asked to submit document to show that you are the legal guardian of, and have authority to act on behalf of, the incapacitated or severely disabled individual for whom you prepare the benefit request.

The following individuals **cannot** create an account in USCIS ELIS:

- Notarios Públicos ("Notarios") and Visa/Immigration Consultants ("Consultants");
- Attorneys who have been suspended, terminated or disbarred by a State court or attorney disciplinary board;
- Representatives who are not authorized by USCIS or the BIA to represent USCIS customers.

When Attorneys or Accredited Representatives submit a completed benefit request for their client, USCIS ELIS automatically creates an "inferred" account for the client. This inferred account is not accessible by the client until he or she creates a user account in USCIS ELIS.

TIPS

Can my family or friends help me file a benefit request in USCIS ELIS?

Yes. Family members, neighbors, friends or paid preparers may assist you as you personally complete your benefit request online. They cannot complete your benefit request for you or submit it on your behalf. If you receive assistance in preparing your application, you must identify the person who assisted you by entering the person's name in the Preparer section.

How will I know if USCIS ELIS is temporarily unavailable?

USCIS ELIS will inform account holders who have logged into the system when the system is temporarily unavailable. USCIS also will notify its customers of any temporary system outages at www.uscis.gov. In the unlikely event of a prolonged delay in system availability, your benefit request will be addressed through the current paper filing process.

TIPS

Some J-1 and J-2 exchange visitors are subject to the 2-year foreign residency requirement (Immigration and Nationality Act in Section 212(e)).

The J-1 and, in some cases, their J-2 dependents are required to return to their home country for 2 years at the end of the J-1 program.

In most cases, the "J" visa stamp issued by the U.S. Department of State will indicate whether or not you are subject to the 2 year foreign residency requirement.
