

§ 122.41

19 CFR Ch. I (4–1–12 Edition)

any inbound or outbound flight, with respect to which Customs and Border Protection (CBP) has not received the advance electronic cargo information required, respectively, under §122.48a or 192.14(b)(1)(ii) of this chapter (see paragraph (g) of this section).

(d) *Procedures.* The application for a permit and special license to unlade or lade shall be made by the owner, operator, or agent for an aircraft on Customs Form 3171, and shall be submitted to the port director for the airport where the unloading and lading will take place. The application shall be accompanied by a bond on Customs Form 301, containing the bond conditions set forth in subpart G of part 113 of this chapter, or a cash deposit, unless this requirement is waived under paragraph (e) of this section.

(e) *Waiver of bond.* To insure prompt and orderly clearance of the aircraft, passengers, baggage, or merchandise, the port director may waive the requirement under paragraph (d) of this section that either a bond or a cash deposit be made, if he is convinced the revenue is protected and that all Customs requirements are satisfied.

(f) *Automatic renewal of term permit or special license.* Automatic renewal of a term permit or special license may be requested by the owner, operator, or agent for an aircraft when a bond on Customs Form 301 containing the appropriate bond conditions set forth in subpart G of part 113 of this chapter is on file. The request shall be for successive annual periods which conform to the automatic renewal periods of the bond. An application will be approved by the port director unless specific reasons exist for denial. If a request for automatic renewal is not approved, the port director shall notify the requestor, and shall state the reasons for the denial. To apply for automatic renewal, item 10 on Customs Form 3171 shall be changed by adding the following words after the period of time indicated: “And automatic annual renewal thereof for so long as the bond is renewed and remains in effect.”

(g) *Advance receipt of electronic cargo information.* The CBP will not issue a permit to unlade or lade cargo upon arrival or departure of an aircraft, and a term permit or special license already

issued will not be applicable to any inbound or outbound flight, with respect to which CBP has not received the advance electronic cargo information required, respectively, under §122.48a or 192.14 of this chapter. In cases in which CBP does not receive complete cargo information in the time and manner and in the electronic format required by §122.48a or 192.14 of this chapter, as applicable, CBP may delay issuance of a permit or special license to unlade or lade cargo, and a term permit or special license to unlade or lade already issued may not apply, until all required information is received. The CBP may also decline to issue a permit or special license to unlade or lade, and a term permit or special license already issued may not apply, with respect to the specific cargo for which advance information is not timely received electronically, as specified in §122.48a or 192.14(b)(1)(ii) of this chapter.
