

Recent Graduates Employment and Earnings Survey

The purpose of the Recent Graduates Employment and Earnings Survey is to collect information about the average earnings of graduates from programs whose students receive federal financial aid and which are subject to regulations on gainful employment.

*The information you provide on this survey will be grouped with information from other graduates of your program. Average earnings for all graduates of the program will be calculated and reported to the U.S. Department of Education. Your individual earnings will **never** be reported, disclosed, or used in any other manner.*

The next few questions are about employment earnings **during the <earnings year> calendar year**.

This survey asks about wages and self-employment income separately. In some cases, it may not be clear to you where earnings you received should be reported. Please just use your best judgment about this, but please **do NOT report the same earnings more than once**. Remember to include earnings **from ALL jobs, even if they are not related to your degree or certificate**. Please do NOT include sources of income other than employment, such as alimony, child support, social security, disability, or unemployment compensation.

3. **Did you receive any wages, salary, tips, overtime pay, bonuses, or commissions from an employer in <earnings year>?**
 - No → Skip to question 4.
 - Yes → **3a.** Think about **the job you held the longest** during <earnings year>. **In total**, how much did you earn **from that employer**, before taxes and other deductions, in **<earnings year>?**

\$ _____

3b. Now think about **all OTHER jobs** you held during <earnings year>. **In total**, how much did you receive **from all other employers**, before taxes and other deductions, in **<earnings year>?** If you had no additional jobs, please enter a zero.
