

## Statement of Conformity (April 2013)

RI Name	Model Year	Customs Entry #	
RI #	Make/Model	Entry Date	
Address Where Vehicle Was Conformed		VIN	Port Code
		Manufacture Date (Mo/Yr)	Service Insurance Policy #
		Odometer ( ) miles ( ) km	Insurer
Address Where Vehicle Can Be Inspected		Vehicle Type	Is this your initial certification for this make, model, and model year?
		Vehicle Eligibility #	<input type="radio"/> Yes <input type="radio"/> No

Conformity to the FMVSS and other applicable requirements has been accomplished by one of the following:  
O - Conformed at time of original manufacture M - Modified to conform after original manufacture N - Not applicable

I state and provide substantiation that (check only one):

The vehicle is not subject to any safety recalls as of the time of such certification, or  
 All noncompliances and defects that are the subject of safety recalls have been remedied.

I certify that (check only one):

The vehicle is not required to comply with the parts marking requirements of the Theft Prevention Standard "Part 541", or  
 The vehicle, as manufactured or as modified prior to importation, complies with those parts marking requirements.

I certify that (check only one):

I know that the vehicle I am certifying conforms with all applicable Federal motor vehicle safety and bumper standards because I personally witnessed each modification performed on the vehicle to effect compliance, or

I know that the vehicle I am certifying conforms with all applicable Federal motor vehicle safety and bumper standards because the person who performed the necessary modifications to the vehicle is an employee of the above named RI and has provided full documentation of the work that I have reviewed, and I am satisfied that the vehicle as modified complies.

I certify that noncompliant motor vehicle equipment items that were removed from this imported vehicle in the course of performing conformance modifications have been (check only one):  
etc.)

Destroyed,  
 Exported, or  
 Not Applicable.

**PAPERWORK REDUCTION ACT STATEMENT:** A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid OMB Control Number. The OMB Control Number for this information collection is 2127-0002. The information collected on this form is necessary to obtain a letter from NHTSA releasing the DOT Conformance bond furnished on form HS-474 to ensure that an imported nonconforming vehicle is brought into conformity with all applicable Federal motor vehicle safety standards within 120 days from its date of importation, or is exported from or abandoned to, the United States. The information is used to verify that the vehicle conforms to, or has been brought into conformity with, all applicable Federal motor vehicle safety and bumper standards. We estimate that it will take approximately 30 minutes to complete the form. The information collected is mandatory under 49 U.S.C. § 30141(d) and 49 CFR 49 CFR 591.5(f). Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, National Highway Traffic Safety Administration, 1200 New Jersey Ave, S.E., Room W45-205, Washington, DC, 20590.
