General Description of Collection:

Section 7(e)(3) of the Federal Deposit Insurance Act (12 U.S.C. 1817(e)(3)), as amended by the Federal Deposit Insurance Reform Act of 2005, requires that the FDIC provide by regulation an initial, one-time assessment credit to each “eligible” insured depository institution (or its successor) based on the assessment base of the institution as of December 31, 1996, as compared to the combined aggregate assessment base of all eligible institutions as of that date, taking into account such other factors as the FDIC Board of Directors determines to be appropriate. The one-time credits must, with certain exceptions, be applied by the FDIC to the maximum extent allowed by law to the assessments imposed on such institution that become due for assessment periods beginning after the effective date of the one-time credit regulations until such time as the credit

is exhausted. For assessments that become due for assessment periods beginning in fiscal years 2008, 2009, and 2010 the FDI Act provides that credits may not be applied to more than 90 percent of an institution’s assessment.

FDIC-insured institutions must notify the FDIC if their one-time assessment credit is transferred, *e.g.*, through a sale of the credits or through a merger, so that the FDIC can accurately track such transfers, apply available credits appropriately against institutions’ deposit insurance assessments, and determine an institution’s 1996 assessment base if the transaction involved both the base and the credit amount. The need for credit transfer information will expire when the credit pool has been exhausted.

There is no change in the method or substance of the collection and the burden remains unchanged from the

previous Paperwork Reduction Act submission.

Request for Comment

Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC’s functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.

Dated at Washington, DC, on October 29, 2018.

Patient Safety Organizations: Voluntary Relinquishment From Fides, LLC

AGENCY: Agency for Healthcare Research and Quality (AHRQ), Department of Health and Human Services (HHS).

ACTION: Notice of delisting.

SUMMARY: The Patient Safety Rule authorizes AHRQ, on behalf of the Secretary of HHS, to list as a PSO an entity that attests that it meets the statutory and regulatory requirements for listing. A PSO can be “delisted” by the Secretary if it is found to no longer meet the requirements of the Patient Safety Act and Patient Safety Rule, when a PSO chooses to voluntarily relinquish its status as a PSO for any reason, or when a PSO’s listing expires. AHRQ has accepted a notification of voluntary relinquishment from Fides, LLC, PSO number P0134, of its status as a PSO, and has delisted the PSO accordingly.

SUPPLEMENTARY INFORMATION:

Background

The Patient Safety and Quality Improvement Act of 2005, 42 U.S.C. 299b–21 to b–26, (Patient Safety Act) and the related Patient Safety and Quality Improvement Final Rule, 42 CFR part 3 (Patient Safety Rule), published in the **Federal Register** on November 21, 2008, 73 FR 70732–

70814, establish a framework by which hospitals, doctors, and other health care providers may voluntarily report information to Patient Safety Organizations (PSOs), on a privileged and confidential basis, for the aggregation and analysis of patient safety events.

The Patient Safety Act authorizes the listing of PSOs, which are entities or component organizations whose mission and primary activity are to conduct activities to improve patient safety and the quality of health care delivery.

HHS issued the Patient Safety Rule to implement the Patient Safety Act. AHRQ administers the provisions of the Patient Safety Act and Patient Safety Rule relating to the listing and operation of PSOs. The Patient Safety Rule authorizes AHRQ to list as a PSO an entity that attests that it meets the statutory and regulatory requirements for listing. A PSO can be “delisted” if it is found to no longer meet the requirements of the Patient Safety Act and Patient Safety Rule, when a PSO chooses to voluntarily relinquish its status as a PSO for any reason, or when a PSO’s listing expires. Section 3.108(d) of the Patient Safety Rule requires AHRQ to provide public notice when it removes an organization from the list of federally approved PSOs.

AHRQ has accepted a notification from Fides, LLC, a component entity of Spectrum Medical Group, P.A., to voluntarily relinquish its status as a PSO. Accordingly, Fides, LLC, P0134, was delisted effective at 12:00 Midnight ET (2400) on October 9, 2018.

Fides, LLC has patient safety work product (PSWP) in its possession. The PSO will meet the requirements of section 3.108(c)(2)(i) of the Patient Safety Rule regarding notification to providers that have reported to the PSO and of section 3.108(c)(2)(ii) regarding disposition of PSWP consistent with section 3.108(b)(3). According to section 3.108(b)(3) of the Patient Safety Rule, the PSO has 90 days from the effective date of delisting and revocation to complete the disposition of PSWP that is currently in the PSO’s possession.

More information on PSOs can be obtained through AHRQ’s PSO website at <http://www.pso.ahrq.gov>.
