JUSTIFICATION FOR A NO MATERIAL NON-SUBSTANTIVE CHANGE**

**TRUTH IN LENDING ACT (REGULATION Z) 12 CFR 1026 O  
MB NO. 3170-0015**

---

The information collections and associated burdens for Regulation Z are generally accounted for under Office of Management and Budget (OMB) control number 3170-0015, “Truth in Lending Act (Regulation Z) 12 CFR 1026.” However, the information collection requirements and associated burdens for certain amendments to Regulation Z are currently approved by OMB under four other OMB control numbers: OMB numbers 3170-0023; 3170-0026; 3170-0028; and 3170-0031.

The Bureau is requesting to move the information collections and associated burdens from the above noted OMB control numbers to OMB control number 3170-0015. The Bureau believes that inventorying all the information collections and associated burdens for Regulation Z under one OMB control is more transparent for the public.

The burden for OMB control numbers 3170-0023; 3170-0026; 3170-0028; and 3170-0031 are listed in the below table which also calculates the new total burdens for OMB control 3170-0015.

\* Since there is no new burden, the transferred burden is considered an adjustment.

Currently, OMB control number 3170-0015 is scheduled to expire on 10/31/2018. The request to renew OMB's approval for the information collections approved under this OMB control number; including those transferred from OMB numbers 3170-0023; 3170-0026; 3170-0028; and 3170-0031 (collectively, the information collections contained in Regulation Z), will be included in this forthcoming request. The renewal request will also clearly identify the collections and associated burdens that were transferred into OMB number 3170-0015.
