For classifying responses, please provide the following demographic information.

Indicate your primary involvement with the pork industry:

- Pork producer
- Veterinary Practitioner
- University
- Federal or State government
- Allied industry (e.g. pharmaceutical company, etc.)
- Other (please specify): \_\_\_\_\_

If you are a pork producer, how many swine in your current inventory are:

Sows and gilts in the breeding herd? \_\_\_\_\_ head

Weaned market pigs? \_\_\_\_\_ head

Finally, please provide general comments regarding NAHMS and the Swine 2020 national study.

A. How can future NAHMS studies be improved?

B. What specific questions do you want to see addressed in the Swine 2020 national study?
