126	(a) Assume 90 percent of sampled participants will read the invitation letter - 5 percent postal nondeliverables and 5 percent not read																	
127	(b) Assume 60 percent of sampled participants will receive a reminder postcard																	
128	(c) Assume 15 percent of participants who read the invitation letter will complete the pre survey by web and 18 percent will complete the post survey by web																	
129	(d) Reminder letters will be sent to all non-respondents; assume 90 percent will read the letter - 5 percent postal nondeliverables and 5 percent not read																	
130	(e) Assume 35 percent of those who read the first reminder letter will complete the teleform survey																	
131	(f) Assume 25 percent of those who read the second reminder letter will complete the teleform survey																	
132	(g) Assume Non-respondents will be contacted by phone to achieve the targeted number of completes; assume 7 percent will complete the survey by phone																	
133	(h) Non-respondents will be contacted by phone to achieve the targeted number of completes; messages will be left on voicemail for 60 percent with working phone numbers and voicemails																	
134	(i) Thank you letters will be read by all respondents																	
135	(j) Post-SPS invitation letters will be mailed to all those who completed the pre-SPS; 90 percent will read the invitation letter																	
136	(k) Assume all SNAP participants will read the KII invitation letter and KII Confirmation Letter																	
137	(l) Assume 85 percent of those contacted by phone will be scheduled for KII																	
138	(m) Assume 80 percent of those who are scheduled for KII will participate in KII																	
139	(n) Assume all grantees will be contacted to schedule KII																	
140	(o) Assume all grantees will participate in KII																	
141	(p) Assume all grantees will read the program data form request email																	
142	(q) Assume all grantees will complete the program data forms. If grantees request to submit more than one response on the annual form to accommodate subawardees or partner organizations, the agency will work with them on an individual basis.																	
143	(r) Assume all outlet operators will read the invitation letter																	
144	(s) Assume 50 percent of outlet operators will need a reminder letter and 95 percent of these will read it																	
145	(t) Assume 80 percent of outlet operators will complete the outlet survey
