Dear Resident:

Recently, you should have received instructions for completing the **2018 Census Test** online. Local communities depend on information from the census to fund programs that promote the well-being of families and children as well as equal employment opportunities for you and your neighbors. If you have not already responded, please complete this short 10-minute survey now or complete and return the paper questionnaire that we sent you earlier.

Respond now at: survey.census.gov	Your USER ID is:
---	------------------

If we do not receive your response online, we will mail another paper questionnaire to your address in a few weeks.

Your response is important to your local community and your country. By law, your response is required, and your answers are confidential. Responding promptly will prevent you from receiving phone calls or personal visits from U.S. Census Bureau interviewers.

If you need help completing the survey please call 1-844-330-2020 toll-free.

If you have already responded, we thank you.

Sincerely,

John H. Thompson
Director
