Dear [Insert Provider Name],

Hello! You have been selected to participate in the <u>TRICARE Select Survey of Civilian Providers (TSS-P)</u>, a very important survey effort for the Department of Defense. **TRICARE Select replaced TRICARE Standard and Extra as of January 1, 2018 –bringing together features of both Standard and Extra into a single plan.** In support of U.S. military men and women, Congress has directed the Department of Defense to survey civilian mental and behavioral health care providers across the U.S. to determine whether military service members and their families have access to the care they need. A substantial amount of mental and behavioral health care provided to our military and their families is delivered by private, civilian providers like yourself. The DoD has contracted Ipsos to conduct this survey.

We are asking you to please answer the questions on the back of this letter and return it *within five days*. We suggest that the survey be completed by the person in your office who is most knowledgeable about billing and insurance. We recognize that there may be more than one provider in your office and ask that this survey be completed for the provider listed above. There are several ways to complete this survey, which should only take five minutes of your time:

- Complete the survey on the reverse side of this letter and return it via postal mail in the enclosed postage paid envelope
- Complete the survey on the reverse side of this letter and fax it to 1-877-648-9563
- Complete the survey on the Internet by accessing the following URL (http://www.health.mil/healthsurveys) and selecting "Survey #3: TRICARE Select Survey of Civilian Providers (TSS-P)"
