SURVEY MATERIALS

COVER LETTER - EMAIL

SUBJECT LINE: FDA Study of Current Manufacturing Practices

Dear [POC],

The U.S. Food and Drug Administration (FDA) needs your input. Your plant has been selected to complete a survey about your manufacturing practices. Your participation in this study will provide FDA with data needed to understand current manufacturing practices and their associated costs to the cosmetics industry in the U.S. To accurately understand the industry, it is important that all selected plants participate. **This research will benefit your industry, so please take the time to participate.** RTI International is conducting this study on behalf of the U.S. Food and Drug Administration.

Click or paste the link into your web browser: [ENTER LINK]

Enter your username: [USERNAME]

Enter your password: [PASSWORD]

Click “Log In” to enter the questionnaire.

The survey will take 30 minutes to complete. If you start and are unable to complete the survey, you can return to complete it at a later time using the same link, username and password. All answers will be automatically saved and the survey will continue where you left off.

Your response to the survey is voluntary, but your input is crucial to ensure the survey results accurately reflect the cosmetics industry. RTI will keep individual responses to the survey confidential. Only anonymous data (no identifying information on your firm) will be provided to the FDA.

If you would like a paper survey mailed to you, or have any questions about the survey or this study, please call the survey Helpline at [ENTER NUMBER], or send an email to [ENTER EMAIL].

Thank you for your support of the Survey of Current Manufacturing Practices.
