Form Approved
 OMB No. 0920-New
 Expiration Date: XX/XX/XXXX (will get put in when we get it)

Public reporting burden of this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-New)

------------	------------------	----------------	-------------------	----------------------	---------------------

Do you agree to take part in the study?

NO

YES

specimens. We are not sure what studies might be done in the future. They might include standard tests as done at hospitals, tests for HIV or other viruses or on your immune system (ability to fight infection). We will not test for genetic problems or use the blood or oral fluid specimens for cloning or commercial purposes.

I give consent for my blood and oral fluid specimens to be stored at CDC for the future use as outlined above.

I DO NOT give consent for my blood and oral fluid specimens to be stored at CDC for future research.

Next Question

Repeat the Question

We are asking you to agree to freeze part of your blood and oral fluid specimens at the CDC for future use. We may use these samples for research in the future. Nothing that could be linked to you will be kept with your blood or oral fluid specimens. We are not sure what studies might be done in the future. They might include standard tests as done at hospitals, tests for HIV or other viruses

I give consent for my blood and oral fluid specimens to be stored at CDC for the future use as outlined above.

I DO NOT give consent for my blood and oral fluid specimens to be stored at CDC for future research.
