Minor Revisions to the Collection Instrument

SSA is making the following revisions:

- **Change #1:** On page one we are replacing SSN (Social Security Number) for Eligible Individual and Eligible Spouse with Beneficiary Notice Control number (BNC#).

Justification 1: We are making the change, due to legislative change. On September 15, 2017, the President signed into law H.R. 624, the Social Security Number Fraud Prevention Act of 2017, which became Public Law No. 115-59. The law restricts the inclusion of SSNs on documents sent by mail by the Federal Government. We updated the form to comply with the new law to reflect the BNC#.

- **Change #2:** SSA is updating the Privacy Act Statement on the form.

Justification #2: SSA's Office of the General Counsel is conducting a systematic review of SSA's Privacy Act Statements on agency forms. As a result, we are revising the Privacy Act Statements on this form.
