WARNING! By accessing and using this government computer system, you are consenting to system monitoring for law enforcement and other purposes. Unauthorized use of, or access to, this computer system may subject you to criminal prosecution and penalties.

You are about to access a U.S. Government computer/information system. Access to this system is restricted to authorized users only. Unauthorized access, use, or modification of this computer system or of the data contained herein, or in transit to/from this system, may constitute a violation of Title 18, United States Code, Section 1030 and other federal or state criminal and civil laws. These systems and equipment are subject to monitoring to ensure proper performance of applicable security features or procedures. Such monitoring may result in the acquisition, recording and analysis of all data being communicated, transmitted, processed or stored in this system by a user.

If monitoring reveals possible misuse or criminal activity, notice of such may be provided to supervisory personnel and law enforcement officials as evidence.

Anyone who accesses a Federal computer system without authorization or exceeds their access authority, and by any means of such conduct obtains, alters, damages, destroys, or discloses information, or prevents authorized use of information on the computer, may be subject to fine or imprisonment, or both.

Your use of this system indicates understanding that you are personally responsible for your use and any misuse of your access including your system account and password. Use further indicates understanding that by accessing a U.S. Government information system that you must comply with the prescribed policies and procedures. Lastly, your use shall serve as acknowledgement of receipt of, your understanding of your responsibilities, and your willingness to comply with the rules of behavior for this system.
