

**HIRE Vets Medallion Program Demonstration
Paper Application Forms
Calendar Year 2018**

In Calendar Year (CY) 2018, VETS will engage in a limited demonstration of the HIRE Vets Medallion Program voluntary recognition program, before initiation of the first HIRE Vets Medallion Award cycle. The CY 2018 program demonstration will collect the same information as that approved for the HIRE Vets Medallion Program Final Rule (OMB Control No. 1293-0015). The only differences between the application forms for the HIRE Vets Medallion Program Final Rule and the CY 2018 HIRE Vets Medallion Program Demonstration are that fields associated with application fee payment will not be used (VETS will not collect application fees as part of the demonstration program), and statements on the application forms referring to the “2019 HIRE Vets Application” will instead read “2018 HIRE Vets Application.” In addition, the CY 2018 HIRE Vets Medallion Program Demonstration will limit the number of applicants. VETS intends to inform applicants up front that a fee is not required for the CY 2018 HIRE Vets Medallion Program Demonstration.

Definitions

The following are key definitions that apply for the purpose of the HIRE Vets Medallion Award Program. Please use these definitions when filling out the application for the Small Employer Platinum Award.

Employee means any individual for whom the employer furnishes an IRS Form W-2, excluding temporary workers.

Employer means any person, institution, organization, or other entity that pays salary or wages for work performed or that has control over employee opportunities, except for the Federal Government or any State or foreign government. For the purposes of this regulation, VETS will recognize employers based on the Employer Identification Number, as described in 26 CFR 301.7701-12, used to furnish an IRS Form W-2 to an employee. However, in the case of an agent designated pursuant to 26 CFR 31.3504-1, a payor designated pursuant to 26 CFR 31.3504-2, or a Certified Professional Employer Organization recognized pursuant to 26 U.S.C. 7705, the employer shall be the common law employer, client, or customer, respectively, instead of the entity that furnishes the IRS Form W-2. Consequently, in the case where an employer uses an agent designated pursuant to 26 CFR 31.3504-1, a payor designated pursuant to 26 CFR 31.3504-2, or a Certified Professional Employer Organization recognized pursuant to 26 U.S.C. 7705, the common law employer is the proper applicant for the award regardless of what EIN is on employees' IRS Forms W-2.

Temporary worker means any worker hired with the intention that the worker be retained for less than one year and who is actually retained for less than one year.

Veteran has the meaning given such term under 38 U.S.C. 101. VETS recognizes that most employers determine which employees are veterans according to the employee's self-identification. VETS does not expect employer-applicants to change these practices in order to guarantee that every employee who self-identifies as a veteran meets the definition of veteran at 38 U.S.C. 101.

Items

This section provides additional information on certain items on the application.

SECTION A: EMPLOYER INFORMATION

Item 1 – Explanation contained on form

Item 2 – The employer must enter its EIN unless the employer uses an agent designated pursuant to 26 CFR 31.3504-1, a payor designated pursuant to 26 CFR 31.3504-2, or a Certified Professional Employer Organization recognized pursuant to 26 U.S.C. 7705 to furnish the IRS Forms W-2 to its employees. If you are an employer that falls under one of these exceptions, you may leave this field blank. Otherwise, an EIN is required.

Items 3-11 – Explanation contained on form

SECTION B: VETERAN EMPLOYEE CRITERIA

Items 12-20 – Explanation contained on form

SECTION C: INTEGRATION ASSISTANCE CRITERIA

In order to qualify for the Small Employer Platinum Award, an applicant must satisfy only TWO of the following five criteria (Items 21-25). Only fill out TWO of the items.

Item 21 – To satisfy this criterion, the employer's Organization/Resource Group must:

- assist new veteran employees with integration, including coaching and mentoring;
- be a distinct organization or group (although admirable, an employer would not satisfy this criterion if the employer provided coaching and mentoring to veteran employees but did so without having established an organization or group);
- still be in existence as of December 31 of the year prior to the calendar year in which the employer applies for the award. For example, if an employer applies for an award in 2020, the organization or group must still be in existence on December 31, 2019.

Item 22 – To satisfy this criterion, the employer's Leadership Program must:

- enhance the leadership skills of veteran employees during their employment.
- still be in existence as of December 31 of the year prior to the calendar year in which the employer applies for the award. For example, if an employer applies for an award in 2020, the leadership program must still be in existence on December 31, 2019.

A leadership program does not need to be exclusively for veterans so long as veteran employees may participate in the leadership program.

Item 23 – To satisfy this criterion, the employer's human resources veterans' initiative must:

- provide support in all three of the following areas: hiring, training, and retention;
- still be in existence as of December 31 of the year prior to the calendar year in which the employer applies for the award. For example, if an employer applies for an award in 2020, the initiative must be in existence on December 31, 2019.

Human Resources Veterans' Initiative means an initiative through which an employer provides support for hiring, training, and retention of veteran employees.

This definition does not require that this support be provided by employees of the applicant. An applicant can satisfy this criterion by contracting out or partnering with a third-party that provides this support so long as the support provided otherwise meets this definition. For example, an employer may work with an American Job Center that is part of the nationwide workforce development system, as defined in section 3(67) of the Workforce Innovation and Opportunity Act, in satisfying this criterion.

Item 24 – To satisfy this criterion, employers must:

- provide each of its employees serving on active duty in the United States National Guard or Reserve with compensation sufficient, in combination with the employee's active duty pay, to achieve a combined level of income commensurate with the employee's salary prior to undertaking active duty;
- provide the differential for as long as the employee is on active duty;
- ensure that this pay differential is still in existence as of December 31 of the year prior to the calendar year in which the employer applies for the award. For example, if an employer applies for an award in 2020, the pay differential must still be in existence on December 31, 2019.

Active Duty means active duty as defined in 10 U.S.C. 101(d)(1).

Salary means an employee's base pay. This means that employers need not provide overtime, shift differential, bonuses, tips, commissions, vacation and holiday pay, retirement and other related benefits, stock options, etc., as part of their pay differential to qualify for the award. Additionally, the method for calculating salary can be determined by the employer so long as that determination is reasonable and applied consistently across all employees.

Item 25 – To satisfy this criterion, employers must:

- have a tuition assistance program to support veteran employees' attendance in post-secondary education during the term of their employment;
- ensure that the tuition assistance program is still in existence as of December 31 of the year prior to the calendar year in which the employer applies for the award. For example, if an employer applies for an award in 2020, the tuition assistance program must still be in existence on December 31, 2019.

Post-secondary education means post-secondary level education or training courses that would be acceptable for credit toward at least one of the following: associate's or bachelor's degree or higher, any other recognized post-secondary credential, or an apprenticeship.

Item 26 – Explanation contained on form

SECTION D: LABOR LAW VIOLATIONS

Item 27 – Employers cannot receive a HIRE Vets Medallion Award if they have any of the labor law violations identified in 20 CFR § 1011.120. The applicable language at 20 CFR § 1011.120 reads as follows:

- (a) Any employer with an adverse labor law decision, stipulated agreement, contract debarment, or contract termination, as defined in paragraphs (b) through (e) of this section, pursuant to either of the following labor laws, as amended, will not be eligible to receive an award:

1. Uniformed Services Employment and Reemployment Rights Act (USERRA);
2. Vietnam Era Veterans' Readjustment Assistance Act (VEVRAA);

(b) For purposes of this application, an adverse labor law decision means any of the following, issued in the calendar year prior to year in which applications are solicited or the calendar year in which applications are solicited up until the issuance of the award, in which a violation of any of the laws in paragraph (a) of this section is found:

1. a civil or criminal judgment;
2. a final administrative merits determination of an administrative adjudicative board or commission; or
3. a decision of an administrative law judge or other administrative judge that is not appealed and that becomes the final agency action.

(c) For purposes of this application, a stipulated agreement means any agreement (including a settlement agreement, conciliation agreement, consent decree, or other similar document) to which the employer is a party, entered into in the calendar year prior to year in which applications are solicited or the calendar year in which applications are solicited up until the issuance of the award, that contains an admission that the employer violated either of the laws cited in paragraph (a) of this section.

(d) For purposes of this application, a contract debarment means any order or voluntary agreement, pursuant to the laws listed in paragraph (a) of this section, that debars the employer from receiving any future Federal contract. Employers shall be ineligible for an award for the duration of time that the contract debarment is in effect.

(e) For purposes of this application, a contract termination means any order or voluntary agreement, pursuant to the laws listed in paragraph (a) of this section, that terminates an existing Federal contract prior to its completion. Employers shall be ineligible for the award if this termination occurred in the calendar year prior to year in which applications are solicited or the calendar year in which applications are solicited up until the issuance of the award.

To receive a HIRE Vets Medallion Award, the employer must not have any violations identified in the above regulatory text during the time periods identified in the regulation.

Additionally, per 20 CFR § 1011.120(f), if VETS has credible information that a significant violation of one of the laws cited in paragraph (a) of § 1011.120 may have occurred that could lead to an employer being disqualified pursuant to any of paragraphs (b) through (e) of § 1011.120, VETS may delay issuing an award.
