7. Federal Income Tax Notice of Withholding and Election

The redemption proceeds of United States Retirement Bonds or Individual Retirement Bonds submitted for redemption are subject to Federal income tax withholding unless you elect not to have withholding apply. Withholding will be at a rate of 10 percent of the entire redemption proceeds (reduced, in the case of Retirement Plan Bonds by any employee contribution to the bonds' purchase price appearing in the basis legends inscribed on the bonds). The redemption proceeds, minus any amount shown in the basis legend of Retirement Plan Bonds, will be reported to the Internal Revenue Service on Form 1099-R even if you elect not to have Federal income tax withheld.

(Each payee listed in Item 4 must complete an Election. You may make as many photocopies of this page as necessary.)

INSTRUCTIONS

USE OF FORM - Use this form to apply for recognition as the person entitled to United States Retirement Plan and/or Individual Retirement Bonds which belonged to a deceased owner when a legal representative has not been appointed for the estate and no such appointment is pending. The term "deceased owner" may refer to a deceased registered owner or to a beneficiary who died after the registered owner. RETIREMENT PLAN AND INDIVIDUAL RETIREMENT BONDS MAY NOT BE REISSUED AFTER THE DEATH OF THE REGISTERED OWNER.

WHO MAY APPLY - Application must be made by (or on behalf of the estate of): (1) the surviving husband or wife; (2) if none, all children of the decedent, and descendants of deceased children; (3) if none, both parents of the decedent or the survivor of them; (4) if none, other next of kin as determined by the laws of the state in which the decedent had his/her last legal residence.

PROOF OF DEATH - Furnish a certified copy of the official death certificate for the owner and the beneficiary, if any. The copies must be certified by the state or local registrar, under official seal.

ADDITIONAL EVIDENCE - The Commissioner of the Fiscal Service, as designee of the Secretary of the Treasury, reserves the right to require additional evidence in any particular case.

COMPLETION OF FORM - Furnish all information requested. If you need more space, use a continuation sheet.

- 1. **DECEDENT -** Insert decedent's complete name and social security number. Verify that the bonds to be listed under Item 4 belong to the estate, e.g., the decedent must be the last-deceased person named on the bonds. Insert the decedent's date of death, age, place of death, and last legal residence.
- 2. PERSONS ENTITLED Show the requested information about the person(s) entitled to apply under the order of precedence described in the "Who May Apply" section of these instructions. If any of the persons listed are under legal disability, the information requested in Item 3 must be provided.
- 3. PERSONS UNDER DISABILITY Show the name of any person listed in Item 2 who is under legal disability. Show the nature of the legal disability minority, incompetency, etc., and the name, address, and relationship (or capacity) of the one managing the person's affairs.
- 4. DISPOSITION OF BONDS
- (a) & (b) List by face amount and bond number all Retirement Plan and/or Individual Retirement Bonds owned by the decedent. If the decedent had requested payment of any bonds and died before the redemption check was cashed, describe the check by amount and number under "Face Amount" and "Bond Numbers."
 - (c) Show "RPB" for Retirement Plan Bonds; "IRB" for Individual Retirement Bonds.
 - (d) Enter the name and taxpayer identifying number of each person to whom distribution is requested. If this is an individual (whether or not a minor or incompetent), give the social security number; if an estate, trust or any entity other than an individual, give its employer identification number. Upon the agreement of all persons entitled, payment can be made to a creditor of the decedent's estate. In this case, enter the name, address, and taxpayer identifying number of each creditor to whom payment is to be made.
 - (e) In the space following each name, show the share to which that person is entitled. If payment is to be made to a creditor, the exact amount must be shown.
 - (f) After the death of the registered owner of Retirement Plan Bonds or Individual Retirement Bonds, interest may continue to accrue until maturity under the conditions set forth in Department of the Treasury Circulars, Public Debt Series No. 1-63 (for Retirement Plan Bonds) or No. 1-75 (for Individual Retirement Bonds). The person(s) entitled may request payment at any time after the owner's death, but they should arrange to cash the bonds at or before maturity. Partial payment of a bond after the death of the owner may not be made. If the person entitled desires immediate payment, "Payment" must be shown under "Disposition Desired." If the person entitled wants to retain the bonds for later redemption, "Recognition of Entitlement" must be shown as the disposition. In this case, the registration of the bonds will not be changed but a letter recognizing entitlement will be furnished by the Accrual Services Division. When payment is desired, the person entitled must sign the request(s) for payment on the bonds in the presence of an authorized certifying officer (see Instruction 7), and forward the letter and bonds to a Federal Reserve Bank or Branch.
- 5. SIGNATURES Each person listed in Item 2 must sign the form in Item 5. Where a person entitled is under legal disability, the legal representative of the person's estate must sign and furnish up-to-date proof of appointment. A minor not under legal guardianship may sign, provided in the opinion of the certifying officer, the minor is of sufficient competency to sign and understand the nature of the transaction. In all other cases, special instructions will be furnished by the Bureau of the Fiscal Service upon request.
- 6. CERTIFICATION Each applicant must appear before and establish identification to the satisfaction of an authorized certifying officer and sign the application in ink in the officer's presence. The officer must then complete the certification forms provided and impress the seal or stamp required in certifying requests for payment. Authorized certifying officers are available at banking institutions, including credit unions, in the United States.
- 7. NOTICE OF WITHHOLDING AND ELECTION Each payee listed in Item 4 must complete, sign and date an Election form. The redemption will be processed with or without withholding, as elected. If a payee does not complete an Election, the bonds will be redeemed and Federal income tax will be withheld from the redemption proceeds. Two Election forms are provided; you may make photocopies, as necessary.
