

Subsidiary Redesignation Notice Federal Savings Association

General Information and Instructions

Preparation and Use

This notice is used to provide prior notice of redesignation under 12 CFR 5.59(h)(4) or under 12 CFR 5.38(e)(5)(vi). This notification form should not be used if new activities are proposed to be conducted in the redesignated subsidiary.

All questions must be answered with complete and accurate information that is subject to verification. If the answer is “none,” “not applicable,” or “unknown,” so state. Answers of “unknown” should be explained.

The questions in the application are not intended to limit the applicant’s presentation nor are the questions intended to duplicate information supplied on another form or in an exhibit. For such information, a cross-reference to the information is acceptable. Any cross-reference must be made to a specific cite or location in the documents, so the information can be found easily. Supporting information for all relevant factors, setting forth the basis for the applicant’s conclusions, should accompany the application. The regulatory agency may request additional information.

This notice form collects information that the Office of the Comptroller of the Currency (OCC) will need to evaluate a subsidiary redesignation notice. The OCC must consider the applicable statutory requirements set forth above, if any, as well as applicable regulatory requirements, when acting on this notice. For additional information regarding these statutory and regulatory requirements, as well as processing procedures and guidelines and any supplemental information that may be required, refer to the OCC’s procedural guidelines in the *Comptroller’s Licensing Manual*. The applicant may contact the OCC directly for specific instruction or visit the OCC’s Web site at www.occ.gov.

Submission

In addition to an original notice and the appropriate number of signed copies, submit an electronic copy of the information in the notice, especially of the business plan’s financial projections, if applicable. For e-mail submissions, contact the OCC for instructions and information about secure transmission of confidential material.

Confidentiality

Any applicant desiring confidential treatment of specific portions of the notice must submit a request in writing with the notice. The request must discuss the justification for the requested treatment. The applicant’s reasons for requesting confidentiality should specifically demonstrate the harm (for example, loss of competitive position, invasion of privacy) that would result from

public release of information (5 USC 552 or relevant state law). Information for which confidential treatment is requested should be (1) specifically identified in the public portion of the notice (by reference to the confidential section); (2) separately bound; and (3) labeled “Confidential.” The applicant should follow the same procedure when requesting confidential treatment for the subsequent filing of supplemental information to the notice. Contact the OCC for any further questions regarding requests for confidential treatment.
