## ATTACHMENT C

## EDFacts Data Set SY 2017-18 and 2018-19 Changes from SY 2016-17

OMB No. 1850-0925 v.2

### INTRODUCTION

This attachment lists the substantive changes to the ED*Facts* Data Set between the data set proposed in this submission for school year (SY) 2016-17 and the data set proposed for SYs 2017-18 and 2018-19.

Explanation of markings in red font in this document:

- **New! 60** are newly proposed additions made to the 60-day package.
- New! 30 are newly proposed additions made to the 30-day package.
- New for SY 2018-19! are newly proposed additions to be implemented beginning in the 2018-2019 School Year.
- Revised! 30 have proposed changes to already existing elements, and were revised prior
  to the 30 day comment period based on feedback from the 60 day comment period and/or
  technical edits and corrections.
- **Revised! 60** were revised prior to the 60 day comment period.
- **Retired!** are no longer being collected in SYs 2017-18 and 2018-19, under the ESEA, as amended by ESSA.
- **Final!** have been revised in the final package in response to the 30 day public comment feedback received as well as the change in the status of ESSA regulations.
- **Revised TA!** changes made as part of technical amendments.

In order to see the comprehensive proposed collection, please review the B attachments. This document is a supplement to assist reviewers; it should not be used as a substitute for reviewing the detailed attachments.

## **NEW DATA GROUPS**

This section explains the data groups that are proposed as additions to the data set. The additions are generally organized according to the data steward office within ED.

ED anticipates the need for metadata from the state to allow ED to understand and interpret data submitted for the new data groups. See new Metadata Survey described in Attachment B-1. Note that information in the new data groups was revised to align with ESSA and to adjust for the removal of ESSA regulations.
