The screenshot shows a mobile application interface with a white background and a dark grey header. The header contains the text "11:34 AM" in the center, "Log Out" on the left, and "Next" on the right. Below the header, the main content area displays the following information:

Enter a Subject ID	
Subject ID	Sleep0001
Study	Air Medical Sleep Study Phase 1
Plan	PVT 3m Plan

Next, the participant has the option to take a practice PVT test prior to performing the 3-minute full test.

A set of instructions appear for the participant to review.

Click NEXT to begin

The screen will go black except a small box in the middle.

At random times over 3 minutes, the box will show a series of numbers that increase at a rapid pace.

The participant must tap the screen to stop the process.

This will repeat itself over the next 3 minutes.

The PVT test will stop at the end of 3 minutes.

The app will show a notification of test end.
